MONTHLY

PRAYER GUIDE

The coronavirus has affected many children living in poverty. Will you take some time this month to pray for the specific needs of boys and girls worldwide?

JULY 2020

WEEK 1

May 31 - June 6

PRAY FOR CHILDREN WHO HAVE LOST THEIR SPONSORS

With the current economic crisis and many people out of work, numerous sponsors have had to cancel their monthly sponsorship gifts. Without sponsors, children risk losing access to essentials like food, medical care, and educational opportunities. *Pray that God will provide new sponsors for the children who have recently lost their support.*

WEEK 2

June 7 - 13

PRAY FOR THE *CHILDREN OF THE WORLD* CHOIR

The pandemic ended the *Children of the World* choir's tour early this year, and the children are sheltering in place until they can return home. Although they were disappointed, they were more concerned about how their friends in their home countries would get sponsored since their tour was the main avenue for recruiting new sponsors. Already, new sponsorships have dropped 94 percent since the tour stopped. *Pray for safe travels as the choir members return home and that people will still hear about and respond to the need for sponsorship.*

WEEK 3

June 14 - 20

PRAY FOR STARVING CHILDREN IN GUATEMALA

Parents worldwide are struggling to feed their children this summer because the pandemic continues to cause job loss and food shortages. Families in Guatemala are literally hanging white flags outside their homes as a cry for help and a sign that they are out of food. Research recently revealed that malnutrition in Guatemalan children has tripled in the past few months. *Pray that God will provide food for these families and protect the children from starvation.*

WEEK 4

June 21 - 27

PRAY FOR STUDENTS IN RWANDA

Many developing countries have faced natural disasters recently, too. "A big landslide happened where one of our schools is located," our Rwandan partner said. "All of the classrooms are destroyed." These children have already been out of school for months due to the pandemic, and this is now another setback to their education. *Pray for this school to be quickly repaired so students can return when the lockdown is lifted.*

Thank you for your prayers.
