PROJECT REPORT

YOU HELPED GIRLS EXPERIENCE FREEDOM

Thank you for giving to help girls in Thailand and India escape sexual slavery.

In Thailand and India, women and girls are often forced to sell their bodies because of obstacles like poverty and cultural expectations. But your support gave them another option. The essentials you helped provide — like a safe place to live, counseling, medical care, and education or vocational training — allowed these girls to pursue a career they love. Best of all, you opened the door for them to hear about Jesus!

Here are two testimonies to give you a glimpse of the impact you made:

NYRA: FREEDOM TO MAKE A DIFFERENCE

Nyra* belongs to the Banchara tribe in India, where the oldest daughter of each family is traditionally placed into the sex industry to pay for her brothers' marriage dowries. Her mother earned a living in the sex industry, and her family wanted Nyra to begin sex work so she could start making money, too.

But world changers like you stepped in to help at just the right time! **Nyra was connected with our partner's children's home in her community, where gifts like yours help to rescue girls from the sex industry and make sure they never have to enter it in the first place.**

Your generosity provided girls like Nyra with the help

Thank you for helping girls like Nyra and Lamai experience freedom. Your generous gift made an eternal impact!

they needed, such as a safe place to stay, access to education, and the opportunity to experience the love of Christ.

After she completed her education, Nyra earned a nursing degree and now works at a hospital nearby. She also helps other at-risk girls in her community escape the harmful tradition of cultural slavery.

This transformation wouldn't have been possible without generous supporters like you! Thank you for giving girls like Nyra the freedom to pursue their dreams.

LAMAI: FINDING FREEDOM THROUGH JESUS

Lamai* and her husband lived in a rural area of Thailand most of their lives. But when Lamai's husband became extremely sick, they moved to the city so she could look for work. She hoped to find a housekeeping job, but nobody would hire her.

Seemingly out of options, Lamai began selling her body just so she and her husband could survive. The future looked bleak for Lamai.

Thankfully, you were there to reach out a helping hand to women like her. **Lamai was invited to a party funded by World Help donors like you, where she spent the evening hearing testimonies of women who had escaped the sex industry. She also heard about how much Jesus loves her.**

By the end of the night, Lamai was eager to know more about Jesus and prayed for a housekeeping job. And then, a miracle happened!

"Fast forward a few weeks, and she let us know that God had answered her prayer," our partner said. "She was accepted for a job!"

Your gift helped girls like Nyra and Lamai escape sexual slavery. They will never forget your dedication to fight for them on their journey to freedom.
