Kingdom Partners is a local group of Christian men and women of all ages who are passionate about helping those in need, especially children. Since our inception in 1999, we have raised and contributed more than \$8.7 million to support various projects worldwide, including children's homes, schools, clean-water projects, a hospital, medical clinics and emergency assistance, child sponsorship, feeding centers, and disaster relief where the needs are greatest.

This year, we are excited to invest in the lives of children living or attending school at Gilgal Children's Home in India. This home helps impoverished children receive daily essentials and a quality education. But after years of serving thousands of boys and girls, the campus is showing its age. **Kingdom Partners** has the opportunity to renovate Gilgal Children's Home and ensure its students continue to receive the best possible care. By providing these renovations, you can help impact more than 5,000 community members and students.

Our goal this year is to raise \$248,000 to repair the current buildings on Gilgal's campus, expand the girls' dormitory, build a security fence, and purchase a bus. These funds will also provide critical supplies including mattresses, dairy cows to produce fresh milk for the children, a sound system for the campus church, furniture for the high school, and laptops to teach the children computer skills.

*Our members are underwriting ALL the expenses involved with the golf tournament and dinner so that **100 percent** of the funds we raise will go directly to this project.*

We are committed to making this event a memorable experience for you and a tremendous success for the children in Churachandpur, India, in dire need of our help. **The tournament will sell out fast, so please sign up early and join us for Kingdom Partners' 14th Annual Golf Tournament, Dinner, and Auction at Los Coyotes Country Club on Monday, Sept. 18.**

If you are unable to play in the tournament, we invite you to participate by being a sponsor, joining us for the dinner and auction, donating items for the auction, or making a contribution.

We hope you can join us to greet old friends or meet new ones for a day of challenges, food, fun, entertainment, inspiration, and the opportunity to return home having made a real difference in the lives of countless children in India. Hope to see you Sept. 18!
