**CLAYS - FAMILY FUN - BBQ LUNCH - RAFFLES, RAFFLES, AND MORE RAFFLES!  
SATURDAY, AUGUST 24, 2019  
QUAIL CREEK PLANTATION, OKEECHOBEE, FL**

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world.

David Loveland was a man of integrity, touching many lives with his huge heart and we are grateful for the lessons he taught us on giving. David will be remembered for his deep love for God, his family, and friends. He loved orphans and was dedicated to helping less fortunate people around the world. He was a board member of World Help, and was passionate about every aspect of the ministry.

This year, in memory of David, we are raising money for Kelly's House in Guatemala. Kelly's house is a long time project and dream of David's and named in memory of his eldest daughter Kelly. Through the years, Kelly's house has been home to the special needs children of Guatemala, here they receive the care that their families did not have access to from their homes. Kelly's House is in need of an expansion to the current property to include buildings for dining, kitchen and a laundry area. Along with the expansion there will be solar panels purchased and installed to power Kelly's House which houses nearly 100 children currently. A conservative estimate has been done and it says that solar panels will save thousands of dollars each year in electric bills.

Join us, August 24, 2019, for a fun day raising money for Kelly's House and remembering a loving husband, father, grandfather, brother, son and friend. The morning will start with coffee and registration, followed by the sporting clay tournament and a BBQ lunch with numerous raffle prizes! During the tournament there will be an area filled with kids' activities including bounce houses, snocones and much more!

Bring the whole family and spend the day with us 'sweating bullets' in memory of David J. Loveland!
