

Lift one flap each day as you count down the days until Christmas. As you do, you'll discover unique gifts you can give someone this Christmas. Use your World Help Christmas Giving catalog to look up the page number listed beside each gift and learn more about how it can help transform a person's life.

Cut along the 3 sides of dotted lines to create a window flap.

How to assemble World Help Gifts Advent calendar: Step 1: Cut each flap on page 1 along the 3 dotted lines.
 Step 2: Attach page 1 on top of page 2, using glue or tape along the edge of the paper.
