

MONTHLY PRAYER GUIDE

This month, join us in praying for people worldwide affected by the coronavirus.

APRIL
2020

WEEK 1

March 29
- April 4

PRAY FOR A CURE TO BE DISCOVERED SOON

With over 800,000 cases worldwide and more than 41,000 confirmed deaths, the coronavirus is spreading like wildfire. One of the scariest aspects is that scientists, researchers, and doctors still don't have a cure. *Pray that God will give these professionals wisdom and provide a cure for this deadly virus.*

WEEK 2

April
5 - 11

PRAY FOR PEOPLE IN POVERTY TO CONTINUE RECEIVING LIFESAVING AID

Although the world's focus has turned to COVID-19, there are refugees, starving children, persecuted Christians, and more who still need to be rescued. They're still struggling to survive. They need food, clean water, medicine, clothing, baby formula, and other lifesaving essentials. *Pray that donors will continue to give so these people's needs will be met.*

WEEK 3

April
12 - 18

PRAY FOR LEADERSHIP TO HAVE WISDOM DURING THIS TIME

Our president, governors, and other world leaders have a tremendous responsibility right now. Every day they are meeting, tracking the virus, and taking necessary precautions. They have a lot of big decisions to make that affect you, your family, and every other community. *Pray for God to lead them and give them special wisdom on what is the best course of action.*

WEEK 4

**April
19 - 25**

PLEASE PRAY FOR OUR PROGRAMS AND FINANCIAL UNCERTAINTIES

The coronavirus pandemic has forced World Help's major fundraising events to be canceled for the foreseeable future. Even the *Children of the World* choir tour is currently cancelled. These changes have caused a loss in income of more than \$2 million ... funds that are needed to continue rescuing starving children, refugees, and more. *Pray that God will provide financially so people can keep receiving the help they desperately need.*

WEEK 5

**April 26
- May 2**

PRAY FOR PEOPLE WHOSE JOBS ARE AT STAKE

"Social distancing" is a term more and more people are becoming familiar with. Thousands of companies and businesses are closing up shop and sending their employees home to work. Sadly, some people don't have that advantage and are gearing up for weeks without pay. Others wonder if they'll even have jobs to return to. *Pray for God to supply the needs of those struggling to live without a paycheck and for those people whose jobs may be on the line.*

**You can provide aid and help
rescue someone in need.**
