

# MONTHLY PRAYER GUIDE

MAY  
2020

The coronavirus has now spread to nearly every nation on earth. Below are a few of the countries that have been affected and how you can pray for their specific needs.

WEEK 1

May  
3 - 9

## PRAY FOR HONDURAS

Some of Honduras' poorest people make their living by scavenging local trash dumps. The dumps have always been a place where diseases run rampant, but now families are sorting through medical waste with bare hands to find something to eat. Authorities have tried to stop them, but sheer desperation has driven them to defy that order as they try to survive. *Pray for the safety of these families and that they will receive aid so they can stay home and stay safe.*

WEEK 2

May  
10 - 16

## PRAY FOR THAILAND

Businesses are shut down, leaving countless families with no income. One positive is that the red-light districts are closed, too. This is opening doors for the staff at our Freedom Homes to help the girls who are now out of work, build connections, and tell them they have other options when this pandemic is over. *Pray for families struggling to make ends meet. And pray that girls working in the sex industry will see this as an opportunity to choose a different life.*

WEEK 3

May  
17 - 23

## PRAY FOR ZAMBIA

Zambia has a high population of people living with HIV or AIDS and other diseases like tuberculosis that make them extra vulnerable to the coronavirus. Our partners there worry that an outbreak could lead to "another generation of children who are orphaned in the aftermath." *Pray that God will put special protection around these people with weakened immune systems during this time.*

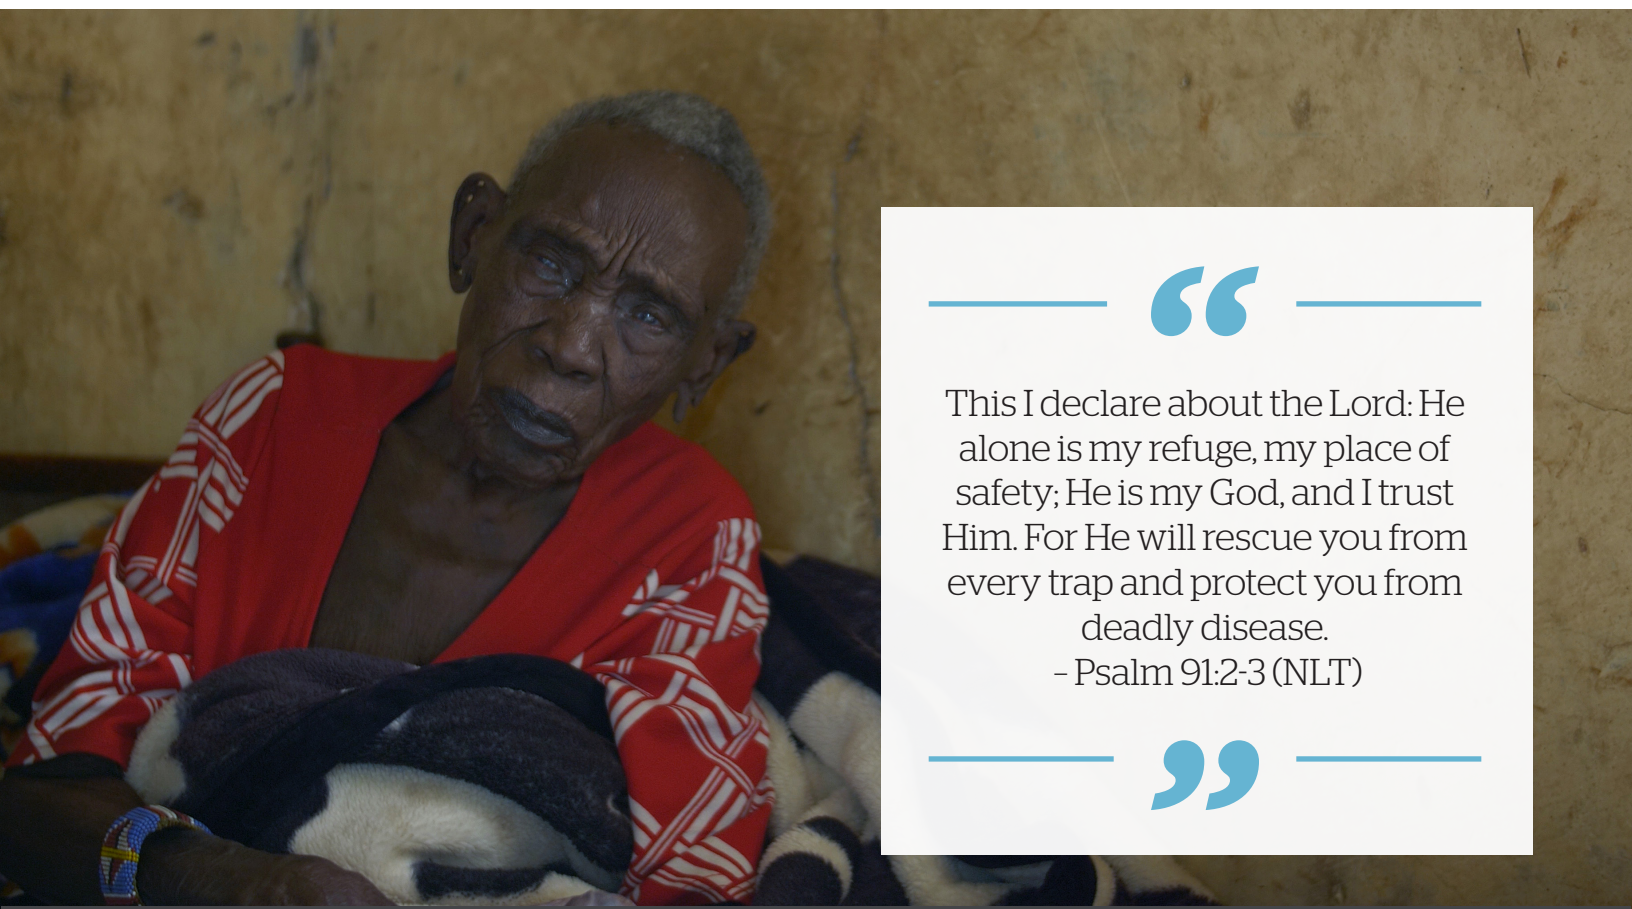

**WEEK 4**

**May  
24 - 30**

## **PRAY FOR HAITI**

Health officials fear a major outbreak in Haiti is imminent. With only 64 ventilators in a country of more than 11 million people, such an outbreak would be catastrophic. Some fear it could kill more Haitians than the historic earthquake that hit the nation in 2010. *Pray for God to bring His comfort and healing to this nation that has already suffered so much.*

to learn how you can provide  
lifesaving aid for people affected by this crisis.

“

This I declare about the Lord: He alone is my refuge, my place of safety; He is my God, and I trust Him. For He will rescue you from every trap and protect you from deadly disease.

- Psalm 91:2-3 (NLT)

”
