PARTNERING WITH WORLD HELP

SATURDAY, AUGUST 22, 2020
QUAIL CREEK PLANTATION, OKEECHOBEE, FL

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world.

David Loveland was a man of integrity, touching many lives with his huge heart and we are grateful for the lessons he taught us on giving. David will be remembered for his deep love for God, his family, and friends. He loved orphans and was dedicated to helping less fortunate people around the world. He was a board member of World Help, and was passionate about every aspect of the ministry.

This year due to global circumstances, in memory of David, we are raising money for Word Help's Coronavirus relief. The economic impact of the pandemic has quickly become devastating and will continue as many countries will be in lock down for an extended period of time. Due to the lock downs, many parents are out of work and are unable to feed their families, even if they had the resources to provide for their family there is a major food shortage in many areas. Along with families, hospitals are understaffed and lack the proper protective gear to keep their staff safe. Our support this year will provide emergency aid like food, hygiene kits, and medical care.

Join us, August 22, 2020 as we remember a loving husband, father, grandfather, brother, son and friend. The morning will start with coffee and registration, followed by the sporting clay tournament and a BBQ lunch with numerous raffle prizes!

Bring the whole family and spend the day with us 'sweating bullets' in memory of David J. Loveland!
