

CHRISTMAS GIVING SCAVENGER HUNT

Flip through your 2020 World Help Christmas Giving catalog to find the answers to the questions below. Or search the online version of the catalog at christmasgiving.org.

1. Children need the calcium and nutrients found in milk to stay healthy and grow strong. How many gallons of milk can one cow produce each day? _____

2. Many people in need don't have cars, so they have to walk everywhere. What gift will help someone travel to work, school, or reach a doctor faster?

3. A family can use a sheep's _____ to make warm clothing.

4. What is the name of the malnourished child who was rescued and given food and medical care? _____

5. Many Christians around the world have never held or owned a Bible before. But you can send one Bible to a North Korean Christian for just \$_____!

6. How many pigs are on page 15?

7. Being sick is no fun. But many people in places like Zimbabwe stay sick and unhealthy because they don't have access to clean _____.

8. What are three kinds of animals you can give to a person in need around the world?
_____, _____,
and _____.

9. Your gift will _____ when you give to Where Needed Most. That means you'll help rescue twice as many people struggling to survive!

10. What gift did Esther receive to help her make money and support her family?

BONUS: Circle the gift you'd like to give someone in need this Christmas. Tell a parent how that gift could help him or her survive.

Fill out the form located in your catalog or visit christmasgiving.org to choose how you will transform a life this holiday season.
