

MONTHLY PRAYER GUIDE

DECEMBER
2020

Join us in praying for families who are struggling to survive this holiday season because of recent natural disasters.

WEEK 1

Dec.
6 - 12

PRAY FOR NICARAGUA

Nicaragua was hit by not one, but two powerful hurricanes last month. In fact, Hurricane Iota slammed into the Nicaraguan coast less than 15 miles away from where Hurricane Eta had made landfall a little over a week before. Needless to say, the villages in this area have been absolutely destroyed. *Please pray for families who are now homeless for the holidays because of these two massive storms.*

WEEK 2

Dec.
13 - 19

PRAY FOR HONDURAS

After barreling through Nicaragua, Eta and Iota dumped torrential downpours across Honduras. Streams, rivers, and wells quickly became contaminated, leaving people without clean water. However, the well at our partner's church was spared, and they were able to open it up to families in need. *Pray for more opportunities like this to show the love of Christ in this season of His birth, and pray also for those still living without clean water.*

WEEK 3

Dec.
20 - 26

PRAY FOR GUATEMALA

While you celebrate Christmas this week, please keep the people of Guatemala in your prayers. They have had an extremely difficult year due to the pandemic and drought. Then, because the ground was so dry, it couldn't handle the rains from Hurricane Eta. Deadly landslides and flooding washed out roads and bridges all across the country. Some villages are still cut off, making it even harder to get food this holiday season. *Pray for Guatemalan families who are hurting this Christmas and pray they receive access to the food and essentials they need.*

WEEK 4

**Dec. 27 -
Jan. 2**

PRAY FOR THE PHILIPPINES

The Philippines have been pummeled with storm after storm this year. Typhoon Vamco alone killed 67 people last month, bringing the death toll from natural disasters since October to 160. As people in the Philippines enter the New Year, many are wondering how they will recover. *Pray for families who have lost loved ones to these storms and are attempting to pick up the pieces of their lives as they move into 2021.*

Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.
