HAPPY VALENTINE'S DAY

Hello,

This month we are celebrating Valentine's Day. During this special holiday, we tell our family and friends how much we love them. We also give them lots of hugs! If I could, I would give YOU a big hug today, too!

But since I can't, I'm sending you a very special hug below this message for you to color. Every time you look at it, I hope you will remember how much I love you. And how happy I am to be your sponsor!

A HUG FROM ME TO YOU

Happy Valentine's Day!
Love,

.....
