WEEK 1

April

PRAY FOR PASTORS IN THE REMOTE REGIONS OF NICARAGUA

There are very few churches along Nicaragua's Miskito Coast, and many people have never heard the Gospel. But faithful local pastors are working to meet both the physical and spiritual needs of families in this remote region. Recently, 30 pastors were trained in Biblical teaching and given food to take to 120 communities where God's Word has never been preached.

Please pray for their safety and for people to respond to their Gospel message.

WEEK 2

April
11 - 17

PRAY FOR MINISTRIES IN ZAMBIA PROVIDING FOOD AND WATER

You already know that hunger is a major problem around the world. But on top of that, many villages in Zambia are experiencing severe drought too. Thankfully, World Help's partners are distributing food and digging wells for needy communities. One clean water recipient said she is excited because now she can plant a garden and grow her own food. *Pray for people who are meeting these urgent needs as well as the people who are receiving help.*

WEEK 3

April
18 - 24

PRAY FOR CHURCH PLANTERS IN CHINA

God is on the move in China. Even in a country that is officially closed off to Christianity, people are becoming more open to hearing the Gospel. And faithful church planters are spreading the Good News by distributing Bibles and starting underground house churches. These churches are growing, and people are coming to faith. *Pray for Chinese church planters who risk persecution and give their time and energy to plant churches and share the love of God.*

WEEK 4

**April 25 -
May 1**

PRAY FOR RELIEF WORKERS IN GUATEMALA HELPING HURRICANE VICTIMS

Families in Guatemala are still trying to get back on their feet months after Hurricanes Eta and Iota. One of the most challenging parts is that the relief workers who are distributing hygiene kits, food, and more are struggling to recover themselves after these deadly storms damaged many of their facilities. *Pray that these ministries will be able to rebuild quickly so they can continue helping as many people as possible.*
