

NORTH KOREAN CHRISTIANS NEED YOUR HELP!

*Underground believers
are begging for **FOOD** ...*

- In 2019, North Korea experienced its **worst famine** in 10 years, and rations were slashed to record lows

- Pandemic lockdowns cut off **80% of North Korea's food** and other trade supply from China

- In 2020, **3 back-to-back typhoons** destroyed many of what crops were left

- North Korean families are starving, and many are eating just **1 meal per day**

*... and they're
desperate for **BIBLES!***

- Being a Christian in North Korea can mean a **15-year prison sentence**

- An estimated **70,000 Christians** are locked up in labor camps

- The life-expectancy for believers in one of these political prisons is just **3 years**

- Still, the underground church has grown to over **300,000 believers**, and there aren't enough Bibles to keep up!
