

MONTHLY PRAYER GUIDE

This month, join us in praying people waiting for help to arrive.

AUGUST
2021

WEEK 1

August
1 - 7

PRAY FOR DISPLACED FAMILIES WAITING FOR EMERGENCY RELIEF

Whether it's families fleeing countries like Venezuela or Syrian refugees living in Jordan, displaced people need your prayers. Many refugee camps are overwhelmed and don't have the supplies they need. *Pray for people in these camps or living far from home who desperately need emergency relief.*

WEEK 2

August
8 - 14

PRAY FOR STARVING CHILDREN WAITING FOR FOOD

Droughts, famines, and the pandemic have caused mass food shortages this year. Many families around the world can't find or afford food, so they must depend on generous donors to ship food to their communities. *Pray for these families who are waiting for food to arrive and pray God will move people's hearts to help ship food and other lifesaving aid to them.*

WEEK 3

August
15 - 21

PRAY FOR PATIENTS WAITING FOR MEDICAL CARE

People living in rural parts of countries like Guatemala or Zimbabwe don't have easy access to medical care. Even if there is a clinic nearby, these facilities often don't have the equipment and supplies needed to adequately take care of patients. World Help has hospital beds and medical equipment in our distribution center that are ready to be shipped to these areas. *Pray that we'll receive the funds to ship these machines and medical care to people in need.*

WEEK 4

**August
22 - 29**

PRAY FOR FAMILIES WAITING FOR PANDEMIC PROTECTION

Countries like India, Nepal, Honduras, and Thailand are still in the thick of the coronavirus pandemic, and many families don't have the soap, hand sanitizer, masks, and other essentials they need to protect themselves from the virus. *Pray that these families will stay safe and healthy until they can receive the hygiene kits they need.*

**Help ship these and other lifesaving supplies around the world!
