

JOIN US IN PRAYING FOR THE PHYSICAL AND SPIRITUAL NEEDS OF CHRISTIANS IN NORTH KOREA.

Isn't it a blessing to worship God together as a family both at church and in your home? In North Korea, Christians are forced either to hide their belief in Jesus or risk violence, arrest, and even death. On top of that, many North Korean families are starving because of a deadly famine in their country. *Please keep these persecuted Christians in your daily prayers. Use the prayer requests below to help you get started.*

PRAY FOR STARVING NORTH KOREANS

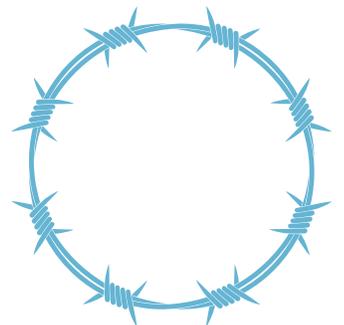

Hunger has always been a threat to North Korean families, and the pandemic has made food even more scarce. Typhoons, flooding, and droughts last year also destroyed countless North Korean crops. Now, even North Korean leader Kim Jong-un is saying the crisis could be as bad as the country's 1990s famine, which killed hundreds of thousands of people.

Pray for families to receive the food they desperately need to survive.

PRAY FOR CHRISTIANS IN LABOR CAMPS

Owning a Bible or sharing the Gospel is illegal in North Korea. If caught, a believer could be thrown into a "political jail" similar to the concentration camps of World War II. Believers are forced to work all day with little to no food. They are beaten and tortured for hours at a time. Still, they cling to their faith.

Pray for these Christians to stay strong despite daily persecution and for their steadfast faith to be a witness to those around them.

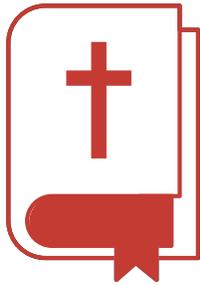

FLIP OVER!

PRAY FOR UNDERGROUND CHURCHES

Believers in North Korea don't have the privilege of going to church with their families every Sunday. Instead, they must meet in secret inside each other's homes. North Korean authorities often monitor homes suspected of holding services and will raid them without warning.

Pray for the thousands of North Korean believers who are risking their lives by worshiping God and studying His Word.

PRAY FOR PEOPLE DISTRIBUTING BIBLES

Organizations like World Help have partners who are working nonstop to smuggle Bibles and food to persecuted Christians in North Korea. It's dangerous work. Even though they are extremely careful and have decades of experience, they are still taking a tremendous risk to help these believers.

Pray for their safety and for the details of their operations to remain secret so they can continue meeting the physical and spiritual needs of North Korean Christians.

The Bible tells us that anyone who follows Jesus is a part of God's family. That means Christians in places like North Korea are our brothers and sisters. When you pray for your North Korean brothers and sisters and ask God to make them strong and brave, He does! ***Thank you for praying and making a difference!***
