

MONTHLY PRAYER GUIDE

This month, join us in praying for some of the most urgent needs throughout Afghanistan.

NOVEMBER
2021

WEEK 1

Oct. 31 -
Nov. 6

PRAY FOR STARVING FAMILIES WHO HAVE BEEN DISPLACED

After the Taliban took over Afghanistan in August, families fled their homes and left most of their belongings behind. Now they're in hiding with no food, water, or shelter. Unfortunately, winter is fast approaching, which makes the situation even more dire. *Pray for displaced Afghan families who are struggling to survive without food and other essentials.*

WEEK 2

Nov.
7 - 13

PRAY FOR THE SAFETY OF AFGHAN WOMEN AND GIRLS

Afghan women and girls are already facing the Taliban's oppression. Patrolling guards have warned women not to go outside alone, and some reports claim girls are being forced to marry members of the Taliban militia. On top of that, girls over 12 years old are now forbidden from going to school. *Pray for God to protect Afghan women and girls during these troubling times.*

WEEK 3

Nov.
14 - 20

PRAY FOR OUR PARTNERS DISTRIBUTING AID ON THE GROUND

Despite the tension in Afghanistan these days, our partners on the ground are continuing to distribute aid to people in need. They recently delivered food to families in the capital city of Kabul, one of the main areas where the Taliban has taken over. *Pray that our partners would have wisdom on how to reach the most people. And pray for their continued safety as well.*

WEEK 4

**Nov.
21 - 27**

PRAY FOR GOD TO BRING ABOUT PEACE IN AFGHANISTAN

Keeping up with the news coverage on Afghanistan can be disheartening and overwhelming. But imagine how terrifying it is for the people living through it. Gunshots, explosions, and mass killings seem to be the new normal. *Please pray for God to bring peace and order to this country that has become overwhelmed with violence.*
