

MONTHLY PRAYER GUIDE

JANUARY
2022

This month, join us in praying for some of the greatest predicted needs of 2022.

WEEK 1

Jan.
2 - 8

PRAY FOR COMMUNITIES STILL BATTLING THE PANDEMIC

The coronavirus continues to affect people in need around the world, especially as new variants emerge. Many people are still out of work, and hospitals in some countries don't have enough equipment or beds to treat everyone. *Pray for communities still facing lockdowns, food shortages, and other difficulties as a result of the pandemic.*

WEEK 2

Jan.
9 - 15

PRAY FOR PEOPLE LIVING IN CONFLICT ZONES

On top of the pandemic, people living in areas of violent conflict are facing the loss of infrastructure such as homes, hospitals, roads, and schools. Plus, their lives are constantly in danger. The U.N.'s 2022 Global Humanitarian Overview stated that nearly 60 percent of casualties in conflict zones are civilians. *Pray for the safety of families who are afraid and caught in the crossfire.*

WEEK 3

Jan.
16 - 22

PRAY FOR FAMILIES AT RISK OF NATURAL DISASTERS

The past few years have seen an increase in extreme weather-related disasters such as droughts, floods, and hurricanes, and this trend is expected to continue in 2022. People who live in coastal communities or flood zones are particularly at risk. *Pray that communities will be able to adequately prepare for potential disasters to prevent deaths and destruction.*

WEEK 4

**Jan.
23 - 29**

PRAY FOR COUNTRIES FACING FAMINE

Extreme hunger remains one of the largest threats around the world. The U.N. reports that the number of people facing famine is nearing twice what it was in 2019 and is calling the situation “countdown to catastrophe.” *Please pray for men, women, and children who are on the verge of starving to death.*
