Reason for Bible desert: Poverty

There are far more Christians in Malawi than there are Bibles. Most people live on less than \$1 a day, so even if a Bible costs only \$10, it's a huge expense that many can't afford. Often, preachers are the only people in a community who own a Bible, and even that's not always the case. After a recent flood destroyed many people's property including their Bibles, several pastors reported that they were having to preach using only the verses they had memorized.

Pray for Malawi

- Pray for wisdom for pastors since their churches often depend on them as their only source of hearing and interpreting God's Word
- Pray for more Christians to receive a Bible so they can study it for themselves
- Pray for the physical needs of Christians living in poverty
