

MONTHLY PRAYER GUIDE

This month, join us in praying for people affected by droughts around the world.

MARCH
2022

WEEK 1

Feb. 27 -
Mar. 5

PRAY FOR PEOPLE FACING WATER SCARCITY IN CHINA

About 20 percent of the world's population lives in China, but it contains only 7 percent of the world's water supply. Water was already scarce, but China's rapid industrialization has polluted the country's groundwater and rivers. Now, most of China's water is too polluted to drink or even use for farming. *Pray that God would provide for the people of China who don't have regular access to clean water.*

WEEK 2

Mar.
6 - 12

PRAY FOR FAMILIES AFFECTED BY THE HISTORIC DROUGHT IN BRAZIL

While flooding is a threat in some regions of Brazil, southern Brazil is actually suffering from its worst drought in decades. This drought has resulted in weak harvest seasons and, in turn, food shortages and inflation. Many people in Brazil can't afford the rising cost of food. *Pray for this drought to end in Brazil, so people don't have to struggle to survive.*

WEEK 3

Mar.
13 - 19

PRAY FOR PEOPLE LIVING IN THE HORN OF AFRICA

Many countries in the Horn of Africa, including Ethiopia, Kenya, and Somalia, are experiencing a devastating drought this year. Crop production could be down 70 percent, over a million livestock have already died, and up to 9 million people are affected. *Pray that the Horn of Africa receives the rain it needs to prevent worsening shortages.*

WEEK 4

**Mar.
20 - 26**

PRAY FOR THE END OF CALIFORNIA'S 22-YEAR DROUGHT

California's drought has now spanned over two decades. Most Californians still have access to the water they need, but the drought's environmental impact is severe. As a result of drought, California experienced over 8,000 wildfires in 2021. *Pray for safety and enough rain to prevent another year of wildfires.*

WEEK 5

**Mar. 27 -
April 2**

PRAY FOR AFGHAN FAMILIES EXPERIENCING A WATER CRISIS

The Taliban's return to power in Afghanistan forced thousands of people to flee from their homes. Now they have limited access to clean water in the displacement camps where many are temporarily living. Plus, the problem is complicated by the fact that the area is facing a severe drought. *Pray for the Lord's provision and protection for displaced people without enough clean water.*
