

MONTHLY PRAYER GUIDE

JUNE
2022

This month, join us in praying for the urgent needs of children around the world.

WEEK 1

May 29 -
June 4

PRAY FOR ORPHANS WITH SPECIAL NEEDS STILL TRAPPED IN UKRAINE

One of our partners in Ukraine is currently serving at an orphanage where 99 children with special needs live. Unfortunately, they haven't been able to leave the country due to transportation and medical issues, so our partner is working around the clock to help provide these children with essentials like diapers, formula, medicine, and more. *Pray for the safety of these kids still in Ukraine and that they'll continue to have access to critical aid.*

WEEK 2

June
5 - 11

PRAY FOR CHILDREN SUFFERING FROM MALNUTRITION

Did you know nearly one out of every three children under the age of 5 is considered severely malnourished? Conflicts like the ones in Ukraine and Afghanistan have collapsed supply chains, causing widespread food shortages and high costs at the grocery store. Families who were already struggling to make ends meet are now finding it even harder to feed their little ones. *Pray that God would provide for these boys and girls and keep their bodies healthy.*

WEEK 3

June
12 - 18

PRAY FOR BOYS AND GIRLS WHO ARE VICTIMS OF CHILD LABOR

Global poverty has increased since the pandemic, which means more boys and girls are being forced into child labor to help their families survive. In many impoverished communities, children often spend their days working instead of going to school. They dig for recyclables in garbage dumps, work backbreaking jobs in the fields, and much more. *Since June 12 is World Day Against Child Labor, spend this week praying for these children who are being robbed of their childhood.*

WEEK 4

**June
19 - 25**

PRAY FOR DISPLACED CHILDREN RUNNING FOR THEIR LIVES

Adults aren't the only ones who have had to flee their homes because of the Taliban takeover in Afghanistan, the Russian invasion of Ukraine, and other crises. According to the U.N., children make up over 40 percent of the global refugee population. They're tired, hungry, and scared. *Pray for their protection, provision, and comfort during the uncertain days ahead.*

WEEK 5

**June 26 -
July 2**

PRAY FOR THE KIDS WAITING TO BE SPONSORED

Warm meals, medical care, shoes that fit – these are luxuries that boys and girls living in poverty don't have access to. And college? That's just a faraway dream. Without a sponsor, many of these children will never escape poverty. They'll spend their entire lives struggling and working for little to no pay. *Pray for children in need to be sponsored so they can receive help for today and hope for a much brighter tomorrow.*
