

YOU PROVIDED BIBLES AND FOOD TO NORTH KOREAN CHRISTIANS

Thank you for your gift to provide lifesaving food as well as God's Word to persecuted Christians in North Korea.

North Korea is one of the most dangerous places in the world to follow Jesus. And on top of daily persecution, North Korean Christians have also been suffering from a severe famine over the past few years. But your gift was a lifeline to people starving for both food and God's Word. Your gift of Bibles will strengthen their faith and help them find hope in the Lord's promises ... and your gift of food has literally helped save their lives!

Here are two testimonies to give you a glimpse at the impact of your life-changing gift:

CHIN: ONE BIBLE'S UNEXPECTED IMPACT

Chin, whose name we've changed to keep him safe, is an underground believer living in North Korea. He was thrilled when your gift provided him with his own Bible, but he knew he had to keep it hidden since its discovery could send him to prison.

He read it and studied it every chance he got. Then, his greatest fear came true. The woman who cleaned his building found his Bible and confiscated it. Chin thought it was all over. If she turned in the Bible, his life would be at risk.

Chin was worried, but days passed ... and nothing happened!

Later, Chin learned that the woman who found his Bible hadn't turned it in. In fact, she had kept it for herself. A

Your generosity placed Bibles in the hands of underground North Korean Christians who had been praying for a chance to read God's Word!

few days later, several people were worshipping in her house and reading from that Bible!

Chin is grateful for the time he had to study the Bible you provided and hide its words in his heart. And although it's no longer in his possession, he's encouraged to know it is having an eternal impact in the lives of others now and helping the North Korean underground church grow.

Chin's Bible – that you helped provide – ended up exactly where God wanted it to be!

NAM: “THERE’S NO WAY WE CAN REPAY IT”

In North Korea, many people are lucky to eat one meal each day. Supply chains between China and North Korea have been cut off, daily food rations have been slashed, and several years of famine have resulted in widespread hunger across the country. That means North Korean Christians are constantly at risk not just of persecution but also of starvation.

But thanks to your generous giving, our North Korean partners were able to successfully deliver 40 tons of rice to the underground church. The joy and relief they felt are difficult to describe. One of the underground church leaders – we'll call him Nam – said it best:

“We embraced 40 tons of rice with great grace and gratitude. We stayed up all night with our eyes open and shed tears of gratitude incessantly. Greetings from afar, brothers and sisters. Thank you so much ... there's no way we can repay it.”

Nam also said that in response to the way God used you to answer their prayers for food, the church made an oath to be even more faithful and follow only the Father until the end.

Thank you for providing Bibles and food to the people of North Korea. Your gift reminded North Korean believers that they are part of a global church that hasn't forgotten them. You gave them the strength and encouragement they needed to keep going.

THANK YOU!
