

MONTHLY PRAYER GUIDE

DECEMBER
2022

This month, join us in praying for the people of Sri Lanka.

WEEK 1

Dec.
4 - 10

PRAY FOR FAMILIES STRUGGLING TO SURVIVE AS PRICES INCREASE

Sri Lanka is currently experiencing a shortage of essentials like food and fuel, and what little is available isn't affordable. Food prices have increased by as much as 90% since last May, and our partners there say they see boys and girls collapse from hunger every week. *Pray that the people of Sri Lanka receive the food and other essentials they need to survive.*

WEEK 2

Dec.
11 - 17

PRAY FOR HOSPITALS AND MEDICAL FACILITIES

Another effect of the economic crisis is a lack of medicines and other critical medical supplies. Our partners said that hospitals are even postponing surgeries because they simply don't have what they need to complete the procedures. As a result, people are suffering from treatable and preventable conditions. *Please pray that these facilities receive the supplies they need and that people who need medical help are able to receive it.*

WEEK 3

Dec.
18 - 24

PRAY FOR PEACE AND STABILITY IN SRI LANKA

During the height of Sri Lanka's economic crisis earlier this year, the situation became so critical that the president fled the country to escape the chaos. The prime minister was then elected as his predecessor and has taken steps to reduce the number of protests, but the country still has a long way to go toward both political and economic stability. *Pray for citizens and government leaders to agree on swift, peaceful resolutions.*

WEEK 4

**Dec.
25 - 31**

PRAY FOR SRI LANKAN CHURCHES HELPING THOSE IN NEED

As difficult as this situation may be, Sri Lankan Christians are praying that God will use it for good and open doors for them to share the love of Jesus with those in need. Many people in this primarily Buddhist nation have historically condemned Christian evangelism, but brave believers are determined to continue living out the Great Commission. *Pray for unity in the Sri Lanka church and for opportunities to show Christ's love during this crisis.*
