

# MONTHLY PRAYER GUIDE

This month, join us in praying for some of the greatest needs in 2023.

JANUARY  
2023

## WEEK 1

Jan.  
1 - 7

### **PRAY FOR THE SAFETY AND PROVISION OF GLOBAL REFUGEES**

The Russia-Ukraine war, the Taliban takeover, and other tragedies have displaced countless families around the world. These refugees have been struggling for months – some for much longer – and there seems to be no end in sight. *Pray that refugees will have their needs met this year and that they can finally return home.*

## WEEK 2

Jan.  
8 - 14

### **PRAY FOR STRUGGLING FAMILIES AS FOOD PRICES CONTINUE TO SOAR**

Prices exploded worldwide in 2022 – everything from food to fuel to other essentials. And it's only getting worse, which means families who were already struggling to put food on the table are now on the brink of starvation. Food insecurity continues to be such a problem that the U.N. recently called it “the largest global food crisis in modern history.” *Pray for prices to stop increasing so impoverished families can afford to buy food and other necessities.*

## WEEK 3

Jan.  
15 - 21

### **PRAY FOR CIVIL UNREST AROUND THE GLOBE TO SUBSIDE**

Economic and political turmoil have caused violent protests in places like Haiti and Venezuela ... and the International Labour Organization expects these kinds of protests to continue. Increased prices are pushing families into deeper poverty, creating a foundation for even more civil unrest. *Pray for peace during these difficult economic times, especially in developing countries where families are hit hardest.*

**WEEK 4**

**Jan.  
22 - 28**

## **PRAY FOR MORE AID TO REACH COMMUNITIES IN NEED**

As you know, World Help recently completed construction on a new Aid & Relief warehouse. The goal of this bigger building is to ship even more lifesaving supplies around the world – but it starts with your prayers! *Please pray that God would encourage donors to give and that more people would receive the help and hope they need in 2023.*

**Want to help meet urgent needs this year?
