

YOU GAVE YOUR SPONSORED CHILD AN AMAZING CHRISTMAS

Thank you for your continued love and support of your sponsored child.

Not only do your sponsorship gifts provide your child with essentials like food, medical care, and educational opportunities ... but they also help make holidays like Christmas extra special. **Because of your generosity, the boys and girls in your child's sponsorship program celebrated the season with an unforgettable Christmas party.**

Uganda is an incredibly diverse country with many cultures and customs. That's what made this year's Christmas party so special! All the children were encouraged to present a song from their individual culture and learn about what makes each culture unique and special.

Then, all the children came together for a time of worship, prayer, and feasting. They ate cake and danced, and the boys and girls couldn't stop smiling! It was a wonderful time spent celebrating what makes them unique while also learning how much stronger they are together.

Some of the younger children celebrated together with exciting activities like swimming and singing. They were even treated to a bouncy castle! Of course, they also had the opportunity to learn about the Christmas story and the love of Jesus. And at the Kikooba campus, the children enjoyed a special holiday meal!

Although we weren't able to interview every boy and girl in the program, here is one testimony to give you an idea of how much this Christmas celebration meant to your child.

One of the kids' favorite parts of the Christmas party was the delicious cake!

JOSHUA: A PERFECT CHRISTMAS DINNER

Joshua is a 10-year-old boy who attends the Good Samaritan School at its second campus in Kikooba. Ever since his mother left the family last year, it's been hard for him and his three siblings to get by. Their father does his best to provide for all four children, but one small income simply isn't enough to meet their needs.

Before receiving sponsorship, Joshua didn't get to experience holiday staples like Christmas dinner with friends and family. His father struggled to provide and prepare food for them, so most days, he was lucky to eat a nutritious meal at all.

But thanks to his sponsor, things were different this year!

Joshua enjoyed a special Christmas dinner with his friends and family at the party. It meant the world to him – just look at that smile!

The Good Samaritan staff said that each child in attendance, including Joshua and your sponsored child, received a gift of hope that day. And it's all thanks to the incredible generosity of sponsors like you.

Thank you for helping your sponsored child have an unforgettable Christmas!

THANK YOU!
