

YOU GAVE YOUR SPONSORED CHILD AN AMAZING CHRISTMAS

Thank you for your continued love and support of your sponsored child.

Not only do your sponsorship gifts provide your child with essentials like food, medical care, and educational opportunities ... but they also help make holidays like Christmas extra special. **Because of your generosity, the boys and girls in your child's sponsorship program celebrated the season with an unforgettable Christmas party.**

The children had fun playing games, singing songs, bursting piñatas, and hearing Bible stories about the true meaning of Christmas. Then, they enjoyed a delicious meal with treats like fruit and cake and opened presents!

"Every year our children look forward to this Christmas party," one of the staff members said. "It's only with the support of the sponsors that we can make that dream come true."

Although we weren't able to interview every boy and girl in the program, here are a few short testimonies to give you an idea of how much this Christmas celebration meant to your child.

LIDIA: "THANKS TO MY SPONSORS"

Since Lidia's family lives in poverty, her parents can't always afford to give her any Christmas gifts. But this year, Lidia received new clothes, nutritious food, and renewed hope for the new year! She couldn't wait to say thank you.

The children were excited to come together for their special Christmas celebration at the end of last year.

“I didn’t think I would have new clothes this Christmas,” she said. “Thanks to my sponsors for my gifts.”

Thanks to the incredible generosity of sponsors like you, Lidia and the other children all had Christmas gifts to open. Because of your support, they celebrated a Christmas filled with joy.

FELICITA: A HOLIDAY FEAST

Felicita has four siblings, so money is especially tight in their household. Things we take for granted, like fresh fruit, are rare luxuries. So the Christmas feast was a major highlight for Felicita!

“How delicious the food, the grapes, apples, and everything they gave me [were],” she said. “Thank you sponsors for thinking of me this holiday season!”

EDWAR: A REASON TO CELEBRATE

Edwar didn’t have just one favorite part of the Christmas celebration ... he loved it all! It was definitely an experience he’ll never forget.

“I feel so happy!” he said. “With my family, we cannot celebrate Christmas in this way.”

Edwar was so grateful for the fun he had at the party and the gifts made possible by sponsors like you. He now has new clothes and a joy that he will carry with him all throughout 2023!

Last year’s Christmas party was one for the books. Poverty often makes celebration difficult for children and their families, but you made sure Christmas was a special time for your sponsored child.

THANK YOU!
