

# MONTHLY PRAYER GUIDE

MARCH  
2023

This month, join us in praying for the people affected by the economic crisis in Lebanon.

WEEK 1

March  
5 - 11

## PRAY FOR PEOPLE STRUGGLING TO AFFORD NECESSITIES

Lebanon has been weathering a severe economic crisis for the last three years. In fact, it's been called one of the worst crises in centuries. Prices have skyrocketed, and the Lebanese currency has decreased in value by 95%. As a result, many people can't afford basic necessities like food, heating, medical care, or clothing. *Pray that God would provide for those who can no longer afford essentials.*

WEEK 2

March  
12 - 18

## PRAY FOR LEBANON'S ONGOING FOOD SHORTAGE

When Russia invaded Ukraine in Feb. 2022, it had an enormous ripple effect. Lebanon, which relies heavily on Ukraine for wheat, felt the brunt of this blockage. Many stores and bakeries are facing a severe food shortage due to rising prices and their devalued currency. Even if people can afford food, it isn't always available. *Pray that God would provide Lebanon with a sustainable source of affordable food for its citizens in need.*

WEEK 3

March  
19 - 25

## PRAY FOR FAMILIES WHO CAN'T FIND JOBS

When Lebanon's economic crisis started, its private sector completely collapsed. Many people lost their jobs during the pandemic, and unemployment is still sky-high years later. Families without a reliable source of income live one day at a time, never knowing where their next meal will come from. *Pray that stable jobs will become available so people can provide for themselves and their families.*

**WEEK 4**

**March 26 -  
April 1**

## **PRAY FOR LEBANON'S LEADERS NAVIGATING THE CRISIS**

As with any economic crisis, leaders need to make wise and informed decisions for the good of their citizens. But currently, Lebanon doesn't have an official leader to help the country navigate through the ongoing crisis. As they work to elect the next president, the Lebanese government needs our prayers for wisdom. *Please pray that God would raise up a wise, qualified, and compassionate leader in Lebanon.*
