

## YOU GAVE YOUR SPONSORED CHILD AN AMAZING CHRISTMAS

Thank you for your continued love and support of your sponsored child.

Not only do your sponsorship gifts provide your child with essentials like food, medical care, and educational opportunities ... but they also help make holidays like Christmas extra special. Because of your generosity, the boys and girls in your child's sponsorship program celebrated the season with an unforgettable Christmas party!

**This Christmas, your sponsored child attended one of three different celebrations held by our partners throughout Nepal.** The children loved spending time with each other and learning about the true meaning of Christmas. Every child also received a box full of gifts like coats, hats, school supplies, and more!

Although we weren't able to interview every boy and girl in the program, here are three testimonies to give you an idea of how much this Christmas celebration meant to your child.

### NIRUTA: A LIFE-CHANGING CHRISTMAS GIFT

Niruta lives in a remote village that's often covered with snow in the winter, so she was incredibly excited about what was in her Christmas gift box at the party.

**When she opened up her gift, Niruta couldn't believe her eyes. Inside, she found school supplies like pens and notebooks, but she also found a winter coat and warm socks!** She was especially excited about the water bottle she received. Because her school has hot water, she can fill

her water bottle up there and sip it on her walk home in the evenings to help keep her warm.

This seemingly simple box of Christmas gifts made a huge difference in Niruta's daily life ... and it's only possible because of sponsors like you!

## NISHAN: "IT MADE HIM FEEL SPECIAL"

Nishan, like most 11-year-olds, couldn't wait for Christmas to arrive. He was especially excited about the opportunity to celebrate with his friends, and he was even more thrilled when he received his box of Christmas presents provided by his sponsors.

**"Nishan is very happy and thankful to receive this box," one of the child sponsorship staff said. "It made him feel like he was special to his sponsor."**

In the same way, every time your own sponsored child receives a gift from you – whether that's a present at Christmas or basic necessities all year-round – it serves as a reminder of how much you care. Thank you for making your sponsored child feel special!

## AMOS: THE GIFT OF ENCOURAGEMENT

Amos has been in the sponsorship program ever since he was old enough to start school. He comes from a poor family, but he has always been determined to make something of himself so he can provide for his parents. He dreams of becoming an engineer and has worked so hard to make that dream become a reality. In fact, he is in the final year of his schooling.

Because he studies so much, it's always a nice break when Amos gets to pause and have fun – like he did at Christmas!

**Amos said that receiving gifts and letters from his sponsor has always been something that has encouraged him to work even harder and pursue his dream. He knows he has someone cheering for him on the other side of the globe ... just like your sponsored child does as well!**
