

# YOU PROVIDED BIBLES FOR PEOPLE AROUND THE GLOBE

Thank you for helping give God's Word to men, women, and children worldwide.

Having easy access to the Scriptures is something we can easily take for granted, but many people around the world have never even held a Bible. In countries like North Korea, owning a Bible is actually illegal. In others like Cuba, Bibles are too expensive for many families to afford.

That's why your recent gift was such a blessing! Because of your generosity, people who thought they would never have the opportunity to own a copy of God's Word are now able to read and study it every day.

Here are two testimonies to give you a glimpse at the impact of your life-changing gift:

## AARON: DELIVERING GOD'S WORD TO THE UNDERGROUND CHURCH

Aaron\* is from North Korea, one of the most dangerous places on Earth to be a Christian. After crossing the border into China, though, he had the chance to read and study God's Word. **When it was time for Aaron to return to North Korea, he knew he wanted to take a Bible with him. And thanks to gifts like yours, he was given two copies — one to keep and one to share.**

Aaron knew that if he were caught crossing the border with a Bible, he could be arrested ... or worse. "However, I thought that if God led me, I would live," he said. Aaron made it back into North Korea without any issues and

*Since Bibles are often shared among family and friends, every copy you provided will reach an average of five people!*

immediately praised God for His protection.

When he got back home to North Korea, he gave one of the Bibles to a trusted Christian friend who had started a small underground church. The members were so excited to finally have a copy of God's Word! They eagerly took turns reading it and learning all they could.

The Bibles you provided to North Korean Christians like Aaron are an incredible source of encouragement and strength as they face relentless persecution every day. Thank you for helping them grow in their faith.

## MIGUEL: "I OPENED MY HEART TO CHRIST"

Bibles are hard to come by in Cuba as well, but for an entirely different reason. Here it's the high cost of Bibles that keeps many families from being able to read God's Word.

Many families simply cannot afford to buy a Bible when they are already struggling to pay for other expenses like rent and food.

Thankfully, you saw this great need and stepped in to provide Bibles to people like Miguel. After reading God's Word, Miguel felt the tug of the Holy Spirit and chose to give his life to Jesus.

"I decided to open my heart to Christ and listen to Him ... to want much more in Him, knowing that He would guide me in the correct way," Miguel said. "And I wanted to say thank you for the Bible. Every day I intend to read it to learn much more about the Lord."

Just a short time ago, Miguel knew nothing about the Gospel, but now he has a personal relationship with His Savior. And he's just one of the many people whose lives have been transformed by gifts like yours.

You have truly made an impact that will outlive you and last for eternity.

## THANK YOU!
