

# MONTHLY PRAYER GUIDE

JULY  
2023

This month, join us in praying for the process of shipping lifesaving aid to people worldwide.

WEEK 1

July  
2 - 8

## PRAY THAT ESSENTIALS WILL BE PROVIDED FOR PEOPLE IN NEED

People all over the world desperately need emergency aid like food, clothing, and medical supplies. These items are donated by generous individuals and corporations to be shipped where they're needed most – but countless people are still waiting for help. *Pray that these donations will keep coming in so more people will receive the essentials they need to survive.*

WEEK 2

July  
9 - 15

## PRAY FOR THE VOLUNTEERS WHO HELP PACK CRUCIAL SUPPLIES

After these donations arrive at our warehouse, diligent volunteers sort, pack and prepare them for shipment. They dedicate time and energy to count, label, and assemble thousands of items every week to ensure people receive the help they need in a timely manner. We couldn't help as many people without their hard work! *Pray for all our volunteers as they continue to make an incredible impact.*

WEEK 3

July  
16 - 22

## PRAY THAT CONTAINERS WILL REACH THEIR DESTINATIONS SAFELY

After lifesaving supplies are sorted and packed, they're shipped in 40-foot containers to places like Guatemala, Burundi, and Ukraine. Since these containers are so large, require customs clearance, and travel such a long way, they can take months to arrive. *Pray that every container reaches its destination safely and quickly so the essentials inside can meet urgent needs.*

**WEEK 4**

**July  
23 - 29**

## **PRAY FOR PEOPLE RECEIVING AID**

The people who benefit from these shipping containers often face extreme hunger, poverty, or crises like wars and famines. These essentials go to meet their most urgent needs, but all of their struggles don't automatically end once the containers arrive. *Pray that God would protect and provide for everyone in need of emergency aid.*

**WEEK 5**

**July 30 -  
Aug. 5**

## **PRAY THAT GOD WOULD USE LIFESAVING SUPPLIES FOR HIS GLORY**

The emergency aid shipped from our warehouse meets physical needs but is also a tangible example of God's love. No matter what form the aid takes, meeting physical needs opens the door for sharing the Gospel. *Pray that God uses shipping to grow His kingdom and draw people to Him.*

**Give toward shipping lifesaving aid and multiply your impact 16x!

“

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people.

— 1 Timothy 2:1

”
