

MONTHLY PRAYER GUIDE

This month, join us in praying for educational needs around the world.

AUGUST
2023

WEEK 1

July 30 -
Aug. 5

PRAY FOR FAMILIES WHO CAN'T AFFORD TO SEND THEIR CHILDREN TO SCHOOL

With rising prices worldwide, it's become nearly impossible for many families even to put food on the table. After buying daily essentials, they often can't afford school uniforms or fees, which are required to attend in many countries. As a result, many of these children could become trapped in the cycle of poverty. *Pray these families will receive the funds to afford essentials and send their children to school.*

WEEK 2

Aug.
6 - 12

PRAY FOR CHILDREN WHO WORK TO SUPPORT THEIR FAMILIES INSTEAD OF GETTING AN EDUCATION

In some countries, children from impoverished families often must work instead of attending school. Without their extra income, their families couldn't afford essentials like food, water, and clothing ... but it comes at a high cost. *Pray that struggling families would receive the help they need so children can attend school instead of entering the workforce.*

WEEK 3

Aug.
13 - 19

PRAY FOR SCHOOLS THAT DON'T HAVE THE RESOURCES TO SUPPORT ALL THE CHILDREN IN THEIR COMMUNITIES

Schools in impoverished and remote villages worldwide don't have the resources or funding to fully accommodate all the kids in their communities. Many students can't complete their schooling successfully due to limited resources, whether it's a shortage of teachers, not enough classrooms, or another need. *Pray that these schools receive the resources they need to fully educate every child in their community.*

WEEK 4

Aug.
20 - 26

PRAY FOR CHILDREN WHO CAN'T ATTEND SCHOOL BECAUSE OF UNIQUE CIRCUMSTANCES

For children in especially remote communities, recovering from a natural disaster, or living with special needs, school might feel out of reach. Some children must walk miles to reach the nearest school – if there's one close enough. Children living in the aftermath of a natural disaster may have no way to return to school. And many communities lack the resources and training to allow disabled children or those with special needs to attend classes. *Pray that, no matter the situation, these children will receive the education they need and deserve.*

WEEK 5

Aug. 29 -
Sept. 2

PRAY FOR EDUCATIONAL OPPORTUNITIES FOR CHILDREN LIVING AS REFUGEES

There are many reasons a child may not be able to attend school, but did you know that being a refugee is one of them? Refugee children in countries like Ukraine and Afghanistan often don't have schools to attend. In fact, millions of refugee children are currently missing out on valuable school years. Without education, they may never have a chance to build a brighter future. *Pray that more educational opportunities would become available for refugee children.*
