

# MONTHLY PRAYER GUIDE

SEPTEMBER  
2023

This month, join us in praying for African nations in need of physical and spiritual aid.

WEEK 1

Sept.  
3 - 9

## PRAY FOR FORMER CHILD SOLDIERS IN UGANDA

The people of Uganda are still recovering from the Lord's Resistance Army's reign of terror. This terrorist organization abducted an estimated 25,000-30,000 children and turned them into soldiers. They pushed the country further into poverty, leaving scars that will last for generations. Now that the LRA has moved out of Uganda, the former child soldiers, now adults, are struggling to piece together their lives. *Please pray the Lord would put His healing hand over the men and women suffering from physiological and psychological trauma.*

WEEK 2

Sept.  
10 - 16

## PRAY FOR PEOPLE IN BURUNDI LIVING IN EXTREME POVERTY

Burundi is the poorest country in Africa. Over 70% of the population lives below the poverty line. Like many other countries around the world, Burundi is also experiencing extreme inflation of goods like food and fuel because of the war in Ukraine. Parents can no longer afford to put food on the table, and it's reported that 53% of children are suffering from chronic malnutrition. *Pray for God to stabilize Burundi's economy so parents can afford to feed their children once more.*

WEEK 3

Sept.  
17 - 23

## PRAY FOR PERSECUTED CHRISTIANS IN NIGERIA

Nigeria is the sixth most dangerous country in the entire world to be a Christ-follower. In the northern region, Christians live in constant fear of violent attacks from Boko Haram terrorists and Fulani militants. Countless Christian women have been forced into marriages with Muslim men. Abductions of church leaders have significantly increased. And thousands of believers have fled their homes. *Please pray for the Holy Spirit to strengthen and encourage all facing persecution in Nigeria.*

**WEEK 4**

**Sept.  
24 - 30**

## **PRAY FOR DISPLACED PEOPLE AND REFUGEES FROM SUDAN**

The ongoing conflicts in Sudan have displaced millions of people from their homes, disproportionately impacting women, children, and the elderly. Many people on the run have fled with nothing but what little they could carry, and now they need help finding shelter, food, and medical care. *Pray that God will encourage, strengthen, and provide for Sudanese people who have been forced from their homes.*
