

# You can pray for boys and girls in North Korea!

Don't you love going to church and learning stories from the Bible? Did you know that in North Korea countries, boys and girls aren't allowed to do these things? If they do, they are bullied and treated badly. But Jesus said to worship Him no matter what, so they keep serving Him! You can pray for these children and ask God to protect them.

## **Prayer:**

*Jesus, I pray for boys and girls in North Korea who aren't allowed to go to church and talk about You with their friends. Please keep them safe and help them to keep loving You.*
