What's Going on at WorldHelp®

A New World Help Baby Has Arrived!

Moriah McLemore, our Digital Coordinator, and her husband welcomed a beautiful, healthy baby boy on Sept. 5. When he made his appearance, Elijah Grey McLemore weighed 7 pounds, 6 ounces, and was 19.5 inches long. If you want to help welcome baby Elijah and show some love to the McLemore family, you can head over to Moriah's [baby registry!](#)

Looking back

Kingdom Partners Golf Tournament

At the 19th annual Kingdom Partners Gold Tournament, we hoped to raise \$400,000 to send 18 shipping containers around the world ... and while the final numbers aren't in yet, we're happy to announce that we have exceeded this goal! Shout out to our incredible Events Team, who made sure this year was another smashing success.

1st Annual World Help Gala

The World Help Gala was a huge success – and hosting an event in our own community made it extra special. We saw new and old faces, which allowed us to connect and reconnect people to the World Help family. Thank you to everyone who worked on, attended, supported, and prayed for the first ever World Help Gala!

Employee HIGHLIGHTS

Get to Know Makayla Kincaid

Makayla works as the Videographer and Photographer for our Marketing Department! Outside of work, you can often find her with her husband at one of downtown Lynchburg's restaurants, coffee shops, or the movie theatre (but don't let her fool you; she's only there for the popcorn). She loves playing with her puppy, discovering new music, and traveling. A woman of many talents, Makayla can rap AND crochet ... maybe even at the same time? You'll have to ask her to find out!
