# A LETTER OF THANKS

---

Over the past year, you have helped transform the lives of so many people around the globe with your generosity.

When Russia launched its full-scale invasion of Ukraine, creating Europe's largest refugee crisis since WWII, **the World Help family was there to provide help and hope.** As the cost of food and other essentials skyrocketed, you continued to stand with **the people who needed it most.**

You helped persecuted Christians, starving children, women trapped in cultural slavery, people facing life-threatening diseases, and so many more. You provided Bibles, clothing, shelter, food, clean water, medicine, education, and the list goes on.

**In fact, you played a part in impacting over 1.6 million people in 2022!**

Without generous people like you, there would be no World Help. So thank you for allowing us to be part of your mission to create a better world in Jesus' name.

*Help and Hope,*

President

# OUR MISSION

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world. Our mission is to provide **HELP FOR TODAY** and **HOPE FOR TOMORROW**. Faith means very little when people don't have access to food, clean water, or medical care ... but without faith, meeting those physical needs is just a short-term fix. That's why it's so important that HELP and HOPE work together. When you focus on both simultaneously, though, the result is true and lasting transformation.

# OUR STRATEGY

We work with 88 trusted partners worldwide to ensure your gifts have the greatest impact. Because your support is used to help ministries that are already established in the communities they are serving, World Help doesn't need to build and staff offices worldwide, meaning more of your money goes directly toward helping people in need. And because these partners understand the needs of their local communities best, you can be sure your donations are being used wisely and effectively.

# EASTERN EUROPE

In 2022, Russia invaded **Ukraine** with unprecedented force. But you didn't just watch this crisis unfold — you jumped in to help. Thanks to you, displaced people in Ukraine and neighboring countries including **Moldova, Poland, Romania, Hungary** received essential aid like food, shelter, God's Word, and warm clothing. You also continued to support refugees living in **Greece**.

## You gave Liza hope for the future

Liza's\* story is a perfect example of how you've made a difference in the lives of Ukrainian refugees. Shortly after Russia's invasion started, Liza spent 10 days trapped in a bomb shelter with countless others. There wasn't enough food to go around. When she could escape, she was forced to run to the nearest train station and leave everything behind.

She was terrified to leave her father and brother behind in Ukraine, but they pushed her and her mother onto the train, knowing it was their best chance at survival. **When Liza arrived in Romania, she didn't know how she would survive.**

But thanks to you, Liza received everything she needed. Although she still misses her family and longs to return home to Ukraine, **she now has plenty of food, a place to stay, and a faith community at the church World Help partners with.**

Liza shared that she knew God before becoming a refugee ... but thanks to the help she received from people like you, she truly discovered Jesus. She was even recently baptized!

**"All the help you've given, we see it, and we thank you for it," Liza said.**

Your generosity helped hundreds of displaced Ukrainians like Liza survive the ongoing war in Ukraine. You helped save lives by providing food and shelter ... but most of all, you demonstrated how God can use even the worst circumstances to showcase His love.

# AFRICA

---

With your help, people throughout Africa received the physical and spiritual aid they desperately needed in 2022. Bibles were distributed to people who had never heard the Gospel in **Zambia**. You provided clean water to people living in **Uganda**. And you sent shipping containers full of emergency aid like food, clothing, and medical care to **Zambia**, **Tanzania**, and **Burundi** — just to name a few!

## You gave baby Juliana the food she needed to survive

Your gifts helped save the lives of children in Tanzania – including little Juliana’s – when their country experienced an extreme food shortage.

Juliana lives in the Rorya District of Tanzania where a two-year drought made it impossible to grow crops, causing food prices to soar far beyond what most people can afford. Many families including Juliana’s struggled to afford even a single meal per day. And Juliana was at the critical stage in her infant development when she needed plenty of healthy solid food for her growing body to remain strong.

**Thankfully, your generosity shipped a container of fortified rice meals to Juliana’s community!**

The local leaders made a list of people who needed the food most and invited them to come pick it up. Juliana’s mom was ready and waiting as soon as the distribution started. She knew how urgently her daughter needed this food to survive. Now, Juliana is healthy and happy.

**“This rice is delicious, healthy, and very cost-effective. We only need water and fire to cook the meal,” Juliana’s mother said. “Look at my child’s body [and how] she has changed!”**

Your gifts were a lifeline for people like Juliana throughout Africa.

## CENTRAL & SOUTH AMERICA

---

When prices around the world began to rise, you rose to the occasion and made a huge difference for people all over Central and South America. You helped provide clean water and lifesaving aid to villages in **Honduras**. Because of you, people in **Haiti** ate their first full meal in weeks. And refugees from **Venezuela** living in places like **Peru** received food, water, and other lifesaving essentials!

## You helped Elvia rebuild after losing everything

Elvia is a young mom trying to provide for her infant daughter in rural Peru. It's been a challenge to make ends meet for a long time, and she eventually had to move in with her in-laws just to get by. Their home consisted of four thin walls and a tin roof ... and then, they lost even that.

One night shortly before Christmas, tragedy struck. As the family was sitting in their house, they noticed their neighbor's house was on fire. The fire quickly spread, and the flames jumped to their own home. Everyone was able to get out safely, but all their possessions were destroyed.

Elvia was devastated. They were soon supposed to be celebrating her daughter's first Christmas, but they had just lost everything.

Then, just when Elvia had almost lost all hope, you reached out a helping hand!

**Because of your generous support, Elvia's family received a gift of essentials like pillows, blankets, and other furnishings to keep them comfortable and replace what they had lost as they began to rebuild.** These items were also an incredible reminder to her that she is not alone, that God loves her, and that there are people who want to help.

**"Thank you so much for all the help you provided to me and my family. God bless you all!" Elvia said.**

Thank you for being the hands and feet of Jesus in Peru and all over Central and South America!

## ASIA

---

Because of your support in 2022, children and women in **India** and **Thailand** found freedom from generations of sex work. You helped plant churches in **South Asia**, gave copies of God's Word to persecuted Christians in **China** and **North Korea**, and even provided clean, lifesaving water to communities in **Thailand**. You also provided food and other essentials to families living under the Taliban's rule in **Afghanistan**.

## You transformed Praewa's community with clean water

Praewa lives in a remote Thai village where many residents farm for a living. Water is essential to both their well-being and their way of life ... but until recently, the community didn't have access to clean, safe water.

Instead, they used rainwater and untreated tap water for drinking, cooking, farming, and cleaning. The water was dirty and full of harmful chemicals, and Praewa was often sick because of it. The only other option was to purchase bottled water – which they could hardly afford.

It got to the point that Praewa began to struggle in school because she was always either sick or dehydrated.

But then, because of your generous support, a clean-water station was installed in Praewa's community! Now, Praewa, her family, and her village have safe water to drink and use for other important tasks. She is so thankful she no longer has to worry about being too sick to attend school or contracting waterborne illnesses. Praewa is even paying your incredible kindness forward – she regularly invites her friends to her house so she can give them clean water, too!

**“I can drink more water and go to school to have fun with my friends and invite them back to my house to share clean drinking water with them,” Praewa said. “Everyone in my family is ... happy, healthy, and not complaining of stomach illness.”**

Thank you for providing clean water to people like Praewa and being a light to people in Asia.

## MIDDLE EAST

---

Last year, the Middle East weathered multiple ongoing conflicts, economic crises, and new waves of displaced people. But you were there to help. You sent lifesaving aid to thousands of refugees in countries like **Syria, Jordan, and Iraq**, and made sure persecuted Christians in **Iran** received copies of God's Word!

## You helped Aram feed his family

Aram, whose name we changed for his protection, has been a refugee for many years — ever since ISIS attacked the city of Mosul in Iraq. His family settled in a refugee camp and tried to rebuild their lives from the ground up, but access to necessities like food, water, and medical supplies has been scarce.

On top of that, when Aram fled Iraq, he left without any official identification papers. This means he is unable to get a job outside of the camp and providing food for his family has been a daily struggle.

He was especially concerned about what they would eat as winter approached last year. It looked like it was going to be several long, dark months of just trying to survive.

**But thanks to your support, Aram and his family received a supply of nutritious food!** Aram was so relieved to not have to worry about his children going to bed hungry.

**“Thank you to everyone who gave us this food,” Aram said. “We are desperately in need of food because winter is coming. God bless you all!”**

Your generous support demonstrated God’s love and provision in an incredible way to families like Aram’s living in the Middle East!
