

MONTHLY PRAYER GUIDE

JANUARY
2024

To kick off the new year, join us in praying over the greatest projected needs of 2024.

WEEK 1

Dec. 31 -
Jan. 6

PRAY FOR GOD'S PROVISION DURING GLOBAL FOOD SHORTAGES

Parents around the globe are struggling to put food on the table for their children ... and it's likely to get worse in 2024. War, climate change, and rising prices for farming essentials like fertilizer have created one of the largest food crises the world has ever seen. Displaced people in Afghanistan can't afford to buy food, droughts in Zambia have made it nearly impossible to farm, and the war in Ukraine continues to prevent the cultivation of crops like wheat and other grains. These are just a few examples. *Please pray for God to provide sustenance to families struggling to survive.*

WEEK 2

Jan.
7 - 13

PRAY FOR REFUGEES AROUND THE WORLD STRUGGLING TO SURVIVE

Global refugee numbers are rising as long-lasting conflict and political instability continue. The Syrian refugee crisis remains the largest in the world since the civil war began in 2011. The ongoing conflicts in Ukraine and Afghanistan are preventing millions from returning home – and they may have nothing to return to. Unfortunately, many refugees don't have the proper paperwork to find jobs in their host countries or displacement camps. This makes buying essentials like food, water, and medical care nearly impossible. *Please pray for the Lord's protection over refugees around the world.*

WEEK 3

Jan.
14 - 20

PRAY FOR CHRISTIANS WHO EXPERIENCE EXTREME PERSECUTION FOR THEIR FAITH

According to Open Doors, more than 260 million Christians experience extreme levels of persecution. That means one out of seven Christ-followers suffers for their faith. In countries like North Korea, people are tortured, imprisoned in labor camps, or even executed for just owning a Bible. Others face other forms of violence and rejection by their families and communities. *Please pray that God would strengthen, protect, and encourage Christians worldwide who are persecuted for their faith.*

WEEK 4

Jan.
21 - 27

PRAY FOR GOD'S WORD TO REACH ALL NATIONS

It's illegal to own a Bible in 52 countries, and even where it is legal, Bibles are often unaffordable for people living in poverty. But that doesn't stop people from asking for copies of Scripture! From Iran to Nepal to India and beyond, people are desperate for access to God's Word. Ministry workers and underground church members work day and night to source and distribute Bibles, but the demand is so great that they can't keep up on their own. *Please pray that God's Word will continue to be distributed to people in need in 2024.*

WEEK 5

Jan. 28 -
Feb. 3

PRAY FOR MORE CHILD SPONSORS TO JOIN THE WORLD HELP FAMILY

There are countless children around the world waiting for someone to sponsor them! Impoverished children in Uganda, girls hoping to escape a future in the sex industry in India, and Syrian refugees living in Jordan all have one thing in common ... they're in desperate need of help and hope. Sponsorship will provide them with essentials like nutritious food, educational opportunities, and the chance to hear about Jesus Christ! *Please pray for God to bring forward more child sponsors this year.*
