

# MONTHLY PRAYER GUIDE

This month, join the World Help family in praying for winter needs worldwide.

FEBRUARY  
2024

WEEK 1

Feb.  
4 - 10

## PRAY FOR DISPLACED AND IMPOVERISHED PEOPLE IN AFGHANISTAN

Most of Afghanistan's population lives below the poverty line. Now, displaced and impoverished men, women, and children are also facing another bitterly cold winter. Temperatures regularly drop below freezing, and without critical winter supplies like food, warm clothing, and firewood, many Afghans risk freezing to death. *Please pray for winter essentials to reach those in Afghanistan who desperately need them.*

WEEK 2

Feb.  
11 - 17

## PRAY FOR REFUGEES AND DISPLACED PEOPLE FROM SYRIA

Refugee and IDP camps in Jordan and Syria remain overcrowded and undersupplied, especially due to the devastating earthquakes that struck Turkey and Syria in February 2023. Many live in poorly insulated tents and burn shoes and plastic to stay warm. Plus, strong winds and heavy rains during this time only make conditions worse. *Pray that Syrian refugees and displaced people receive the essentials they need to survive the winter.*

WEEK 3

Feb.  
18 - 24

## PRAY FOR UKRAINIANS FACING THEIR SECOND FULL WINTER WITHOUT ESSENTIALS

Feb. 24 marks two years since Russia invaded Ukraine, and life hasn't gotten any easier for those affected. Winters in Ukraine are brutal, bringing heavy snowfall and frigid temperatures. Ukrainian refugees and displaced people are suffering from increased missile strikes while struggling to survive without access to food, warm clothing, or shelter. Many people also lack reliable access to electricity and heat. *Pray that the war in Ukraine will end soon and that Ukrainians will receive the lifesaving supplies they need.*

WEEK 4

Feb. 25 -  
Mar. 2

## PRAY FOR PERSECUTED CHRISTIANS AND OTHER HURTING PEOPLE IN NORTH KOREA

North Korean winters are known for being bitterly cold. For people already struggling to find food during an ongoing famine, the freezing temperatures are only making a bad situation worse. North Korean Christians are especially at risk as they face relentless persecution during the coldest months of the year. *Please pray for emergency supplies to reach North Korean Christians and others in need.*
