

# YOU HELPED PLANT CHURCHES AROUND THE WORLD

Thank you for giving to help church planters establish new churches and share Jesus with their communities.

In countries like Cuba, China, and India, many communities remain unreached with the Gospel because of isolation, growing persecution, and a lack of resources like pastor training and God's Word. But God is powerful enough to overcome any obstacle – and He loves to work through His people!

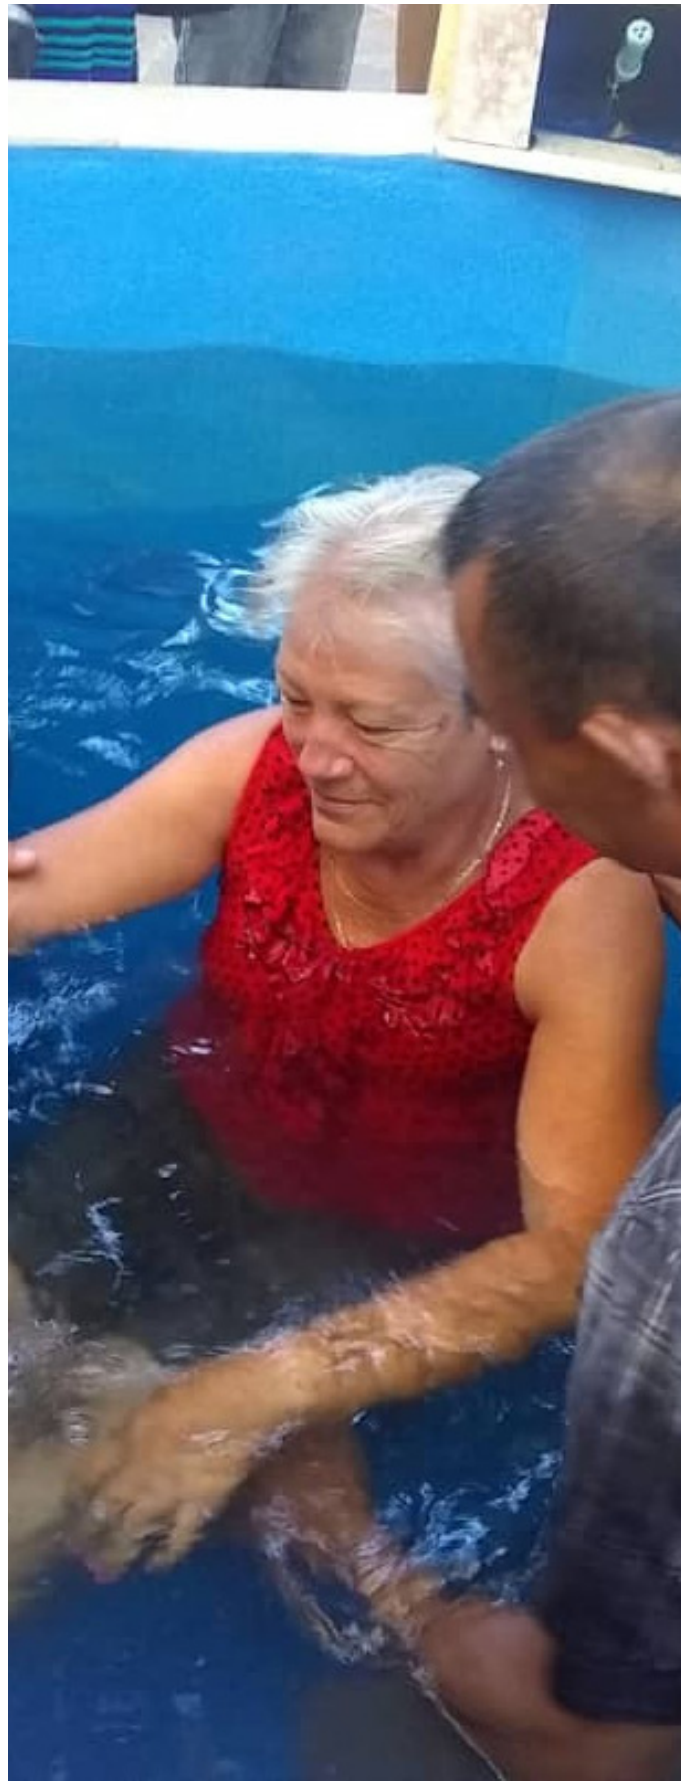

Your generosity this past Christmas season equipped church planters and pastors to plant new churches and share the love of Jesus with people who have never heard the Gospel. You gave them the essentials and tools they needed to better reach and serve their areas.

Here are two testimonies to give you a glimpse at your incredible impact:

## ANA MARIA: UNCONTROLLABLE WORRY TO UNCONDITIONAL TRUST

Ana Maria lived a quiet life in Cuba – until she was diagnosed with cancer. Her physical and emotional health deteriorated, and she faced the possibility of an invasive and risky surgery. When Ana Maria began chemotherapy, she became so depressed that she no longer wanted to live.

Then, a church planter supported by people like you came to her village and began sharing the Gospel. Ana Maria learned about Jesus' love for her and what He

*Your support of church planters worldwide made an eternal impact!*

could do in her life. She accepted Christ as her Savior that same day!

**“Thank God, I am very well and very happy to be a Christian,” Ana Maria said. “I also thank God for the life of each missionary and the work they do for the kingdom of God.”**

She learned to trust God in her battle with cancer, and He healed her without her having to undergo surgery!

**Without support like yours, the church planter who spoke to Ana Maria might never have made it to her village, and she might have never heard about Jesus. But through your generosity Ana Maria and so many others are finding joy, peace, and security in Christ.**

## GILBERTO: A LIFE CHANGED FOREVER

Gilberto also lives in Cuba and learned about Jesus when a church planter came to his community. But unlike Ana Maria, he was against the Gospel at first. His family prayed that God would soften his heart. Then, his daughter and grandson had to make a dangerous journey to the U.S. For the first time, Gilberto prayed. He knew that God was the only One who could lead them there safely. His prayers were answered when his daughter and grandson arrived safely. Once he heard the news, he gave all glory to God and accepted Christ as His Savior.

Since then, Gilberto has endured other hardships and health issues, and he’s now waiting to have kidney surgery. **But because you equipped a church planter to share the Gospel with him so long ago, Gilberto now knows He can trust God completely.**

“He trusts in Christ and remains steadfast even though he is currently waiting to have kidney surgery,” the church planter said. “He knows that God is with him and will help him turn out well.”

Thanks to you, church planters had the tools they needed to share the Gospel with people like Gilberto

and teach them about the unconditional love of Jesus.

**Your gift made an eternal impact and touched countless people. Because you helped provide daily essentials and resources to church planters, they can take the Gospel to some of the most unreached communities in the world.**

Thank you for serving as the hands and feet of Jesus all around the globe.

## THANK YOU!
