# Employee HIGHLIGHTS

## Get to Know Chasey Pittsley

Chasey works in our Marketing Department as one of our incredible Staff Writers. She loves reading, listening to podcasts, baking, and everything cat-related ... but tragically, she's allergic to cats! Until Chasey finds one that doesn't make her sneeze, she plans on decorating her house with cat magnets, blankets, and ceramics.

When she was younger, Chasey wanted to work in the medical field because of the TV shows she watched. But on one fateful day in high school, she accidentally cut herself – and promptly passed out at the sight of blood. She said, "I discovered God had different plans for me after that. And I'm happy He did!"

We are, too, Chasey. Thank you for all that you do!
