### Looking Back

#### Fiscal Year Celebration and Kick-Off May 14

We enjoyed gathering with the World Help staff last month to celebrate what the Lord brought us through in Fiscal Year '24! We're also looking forward to the new fiscal year ahead, and excited to see how we will "Bounce Back" together.

### Important DATES

- June 11 — In-person Morning Meeting
- June 19 — Office closed for Juneteenth

### Looking Ahead

#### Ireland Golf Tour June 7 - 17

A small World Help team and a group of incredible donors are heading to Ireland! They'll be playing on world-renowned golf courses and learning how their giving can make a major impact around the globe. Please pray for safe travels and that God works through this trip to transform lives.

#### LALI Africa Trip May 28 - June 8

A team from Leading and Loving It is currently in Africa with Noel! These ladies are fundraising for several important projects following this trip including clean water, Bibles, and improvements to Star School. In addition to safe travels, please pray God would prepare people's hearts to respond and give when the group returns.

# Employee HIGHLIGHTS

## Get to Know Jacob Elder

Jacob is the newest Donor Support Representative on the Marketing Team, and he's already crushing it! After a hard day's work in the office, Jacob enjoys going to the gym or playing volleyball and disc golf. In fact, if Jacob could take a paid year off from work, he would spend his time becoming an expert in disc golf in hopes of going pro.

If he's not out on the disc golf course, Jacob can be found playing Dungeons & Dragons and other fun board games. Is anyone in the office interested in starting a D&D campaign? With any luck, Jacob would be the storyteller – also known as the Dungeon Master – and maybe his identical twin brother would join!
