2024

WEEK 1

June 30 -
July 6

PRAY FOR RESTORATION AND PEACE IN HAITI

Earlier this year, Prime Minister Ariel Henry went to Kenya to request military support in Haiti. While he was away, a coalition of gangs took over the capital city of Port-au-Prince and broke more than 3,700 of the country's most notorious criminals out of prison. Prime Minister Henry stepped down from his role and has yet to return to Haiti.

Please pray for the Holy Spirit to raise powerful, Godly leaders to restore peace in Haiti.

WEEK 2

July
7 - 13

PRAY FOR LANDSLIDE VICTIMS IN PAPUA NEW GUINEA

A recent landslide in Papua New Guinea buried more than 2,000 people and claimed an estimated 670 lives. Government officials called off the search for victims two weeks later for fear of starting another landslide ... but now, people are faced with the reality of rebuilding their lives and threatened with dangerous diseases as a result of contaminated water supply. *Please pray for the health and safety of landslide victims.*

WEEK 3

July
14 - 20

PRAY FOR FAMILIES IN THE U.S. AFFECTED BY THE RECENT SERIES OF TORNADOS

A series of tornados and storms swept across central and southern U.S. over Memorial Day weekend. At least 24 people died in Arkansas, Texas, Oklahoma, and Kentucky, and hundreds more were injured. Tens of thousands across the nation lost their homes and their livelihoods. Multiple states have declared states of emergency ... and they're still trying to recover. *Please pray the Holy Spirit moves people to help as tornado victims struggle to get back on their feet.*

WEEK 4

**July
21 - 27**

PRAY FOR INNOCENT PEOPLE IN GAZA CAUGHT IN THE CROSSFIRE OF WAR

The ongoing war between Israel and Hamas has left people in Gaza struggling to survive. Critical necessities like food, water, and medicine are running dangerously low. As the fighting continues to escalate, families have nowhere to run for safety. The border to Israel is closed and Egypt is not accepting most refugees. *Please pray for God to bring an end to the fighting in the Holy Land.*

WEEK 5

**July 28 -
Aug 3**

PRAY FOR AFGHANS SUFFERING FROM ONGOING NATURAL DISASTERS

Afghanistan frequently experiences natural disasters such as earthquakes, flash floods, and drought. Already this year, a flash flood in Northern Afghanistan killed 315 and injured more than 1,600. It destroyed homes, businesses, and livestock. Between natural disasters and ongoing Taliban control, more than 3.4 million Afghans are displaced and struggling to survive. *Please pray for God to provide emergency supplies to victims of natural disasters in Afghanistan.*
