Child's Name: NZIZA GERVALS

Child's ID Number: RWASTR643

His parents are illiterate but know the value of education. The parents do all kinds of jobs so that they can send their children to school.

Some days the children have slept on an empty stomach. To be able to study Gervais badly needs someone to help his parents keep him in school because he is always in and out.

Sadly he sometimes never sees his report at the end of the term because he didn't pay his school fees.
