

## YOU RUSHED LIFESAVING SUPPLIES TO PEOPLE IN NEED!

Thank you for helping ship essentials like food, clothing, medical equipment, and more to people struggling to survive.

Conflicts, natural disasters, and economic crises around the world have plunged countless people into poverty. Their situations may be different, but their needs are the same. And through your incredible generosity, you helped provide them with the supplies they needed to thrive.

Here are two testimonies to give you a glimpse at the impact of your life-changing gift:

### YOBANA: A RENEWED HOPE

For a long time, life was a constant struggle for Yobana and her family, who live in an impoverished area of Peru. Their small income just couldn't cover all of their expenses.

Yobana worried often about how she would be able to feed her 8-year-old son. And when she found out she was pregnant again, she knew she needed more nutritious food for herself to as well help her baby grow and develop.

**Thankfully, because of generous gifts like yours, a shipment of nutrient-fortified packs of rice arrived at a local food kitchen in Yobana's community where families in need can receive help.**

Yobana was thrilled to have enough food to feed her son and ensure both she and her baby stayed strong

*People like Yobana and her family now have lifesaving essentials like food, clothing, and hygiene items thanks to you!*

and healthy during her pregnancy. She's even paying your kindness forward by volunteering a couple of times a month in the community kitchen, cooking for other impoverished families in the area!

**“Please pass on my thanks to the generous people who donated this special rice for my family!” Yobana said. “God bless you all.”**

## **SERGEI: “THANK YOU FOR WHAT YOU ARE DOING”**

When Russia invaded Ukraine, Sergei and his family decided to escape to Moldova. Once they arrived, they faced a new battle for survival. With three children and another baby on the way, Sergei and his wife had no idea how they would make ends meet.

They had no choice but to rely on donations like yours to provide them with the essentials they needed. And sure enough, you were there to provide them with help and hope!

**Sergei visited our partner’s humanitarian center, where he received clothes for his entire family. These clothes, along with other emergency supplies, were shipped to refugees in Moldova with the support of people like you.**

Now, Sergei and his wife can purchase other essentials without worrying about how they will buy clothes. This gift was also a powerful demonstration of God’s provision in their lives.

“I appreciate your help and what I received today at the church and assistance center,” Sergei said when he received the clothes. “Your care for Ukrainian refugees like us is so crucial. Thank you for what you are doing for all of us!”

**Your generosity was a lifeline to people like Yobana and Sergei. You truly helped transform lives all around the globe and showed them God’s love with your kindness.**

**THANK YOU!**
