### Looking Back

#### **A Night with the Hillcats** August 3

Last month, World Help partnered with the Lynchburg Hillcats to host the 2nd annual World Help Night. It was an unforgettable evening full of baseball and transforming lives! Many local staff and supporters came out to enjoy the event, and a group from Mountain View Church in Lynchburg contributed a total of \$145! Thank you to everyone who contributed to this event being a huge success. We can't wait to see what next year holds.

## Get to Know Chloe Sterner

Chloe is our videographer and photographer in our Marketing Department! When she's not capturing photos and videos for World Help, Chloe can usually be found outdoors, making new music playlists, or practicing her media skills. She also loves visiting with her friends and is always up for a good conversation!

You might not know that Chloe doesn't just shoot photos and videos. She was on Liberty University's shotgun team for five years and has been shooting clay targets competitively since 2014!

But even with her busy schedule, Chloe also makes time to relax with her favorite movies. When asked what movie she wished she could watch again for the first time, Chloe said *La La Land*! "I wish I could re-experience what that first watch felt like and begin to appreciate it all over again," she said.
