Employee HIGHLIGHTS

Get to Know Ananda Patterson

Ananda interned with World Help as a Liberty student, and now she's back as our Digital Coordinator in the Marketing Department. In her free time, Ananda enjoys making ceramics and visiting new coffee shops. Her go-to drink is matcha! For those of you who haven't had the chance to meet Ananda in person, you might not know that she is 5'11" – and she's still the shortest person in her family.

When asked what condiment she couldn't live without, this was Ananda's answer: "I couldn't live without Sriracha. It's the perfect condiment for every occasion. For breakfast? Eggs. For lunch? Goes great on a sandwich. For dinner? Just about everything. I am Sriracha's biggest fan!"
