

MONTHLY PRAYER GUIDE

NOVEMBER
2024

As we prepare to celebrate Thanksgiving this month, please join us in praying for people suffering from food shortages and famines around the world.

WEEK 1

Nov.
3 - 9

PRAY FOR PEOPLE FACING SHORTAGES AND ECONOMIC CRISES IN CENTRAL AND SOUTH AMERICA

This year, millions of people living in Central and South America don't have enough to eat, from Haiti to Venezuela. Many rural and isolated communities in countries like Honduras and Peru also can't access food and other essentials. *Please pray for God's provision for those who are starving in Central and South America.*

WEEK 2

Nov.
10 - 16

PRAY FOR REFUGEES AND OTHERS WHO ARE STARVING IN THE MIDDLE EAST

Wars and conflicts have impacted millions of people in places like Syria, Gaza, and Yemen. Countless individuals and families have been left without basic essentials, including nutritious food. In total, over 50 million people in the Middle East are going hungry. *Pray that God would provide food for starving men, women, and children in the Middle East.*

WEEK 3

Nov.
17 - 23

PRAY FOR PEOPLE IN AFRICA WHO DON'T HAVE ACCESS TO FOOD

Africa has one of the highest hunger rates in the world due to economic crises, droughts, and conflicts. The escalating war in Sudan has caused food insecurity rates to skyrocket. Meanwhile, a drought in southern Africa is affecting crop and livestock production. Over 50 million people living in countries like Nigeria, Ghana, and the Central African Republic are also starving. *Please pray that these droughts and conflicts in Africa will end so people can feed their families.*

WEEK 4

**Nov.
24 - 30**

PRAY FOR MEN, WOMEN, AND CHILDREN GOING HUNGRY IN ASIA

More than 15% of Asia's population is food insecure. Rising food prices and frequent natural disasters have driven countless people into poverty. North Korea and India are facing years-long droughts and food shortages, while civilians in places like Afghanistan and Sri Lanka are struggling to survive amid severe economic crises. *Pray that God will provide food and other essentials for people who are starving in Asia.*
