Employee HIGHLIGHTS

Get to Know Hannah Wolfe

Hannah Wolfe is our Events Manager in our Donor Growth Department! When Hannah isn't planning and organizing events, she loves spending time with her best canine friend, Luna. With a passion for creativity, Hannah also enjoys doing DIY projects!

Even though Hannah recently started at World Help as our Events Manager, she already knows how to throw a memorable party! During her college years, Hannah worked for a princess party company. She dressed up as Elsa, Rapunzel, Snow White, and even Mickey Mouse to make birthday celebrations extra special.

With that in mind, it's no surprise that Hannah also used to work at Disney World! When asked to name a weird fact, she said, "Most people think that the Magic Kingdom at Disney World has underground tunnels for workers to get around. Technically, that is not true! The tunnels are actually at the ground level, and everything else is built on top!"

Happy Birthday!
