

MONTHLY PRAYER GUIDE

DECEMBER
2024

As we prepare to celebrate Christmas this month, please join us in praying for people around the world struggling to survive the cold winter months.

WEEK 1

Dec.
1 - 7

PRAY FOR DISPLACED PEOPLE IN AFGHANISTAN STRUGGLING TO KEEP WARM

It has been a tough year for displaced people in Afghanistan. Millions of people are on the brink of starvation, and now impoverished families face a new challenge – freezing temperatures. To keep warm, people collect plastics and other garbage to burn in their homes ... but these toxic fumes often do more harm than good. *Please pray that God would use world changers to provide Afghan families with firewood and other winter essentials.*

WEEK 2

Dec.
8 - 14

PRAY FOR SYRIAN REFUGEES IN NEED OF LIFESAVING MEDICAL CARE

The civil war in Syria began almost 14 years ago – creating the largest refugee crisis of the century. Millions of Syrians have fled to countries like Jordan, Turkey, and Lebanon. Still living in refugee camps, many of these men, women, and children are in desperate need of medical care. For some, it's been years since they've seen a doctor, and their bodies are too weak to survive the dropping temperatures. *Pray for God to heal the physical and psychological wounds of Syrian refugees.*

WEEK 3

Dec.
15 - 21

PRAY FOR UKRAINIANS ENDURING ANOTHER WINTER AWAY FROM HOME

Many Ukrainians are heading into their third winter displaced from their homes. They're feeling exhausted and discouraged with no end in sight, and winters in Ukraine are brutal. Displaced people urgently need supplies like food, warm clothing, and generators to make it through the cold months. *Please pray that God would provide displaced Ukrainians with the strength and supplies they need to face frigid temperatures.*

WEEK 4

**Dec.
22 - 28**

PRAY FOR NORTH KOREAN CHRISTIANS GATHERING IN SECRET THIS CHRISTMAS

Throughout North Korea, Christians in the underground church are preparing to celebrate an outlawed holiday – Christmas. Even though many of them are freezing and starving during winter months and the punishment for being caught is severe, they secretly gather in small groups to quietly celebrate the birth of Jesus Christ. *Please pray that God would keep North Koreans safe this winter and continue spreading His Word throughout the country.*
