## Get to Know Caleb Pack

Caleb is our Database Management Specialist in the Marketing Department. Outside of work, he loves spending time outside – he can usually be found hiking on his favorite trails, getting ready for hunting season, or playing a pick-up game of football!

Another thing you may not have known about Caleb is that he serves in the Virginia National Guard. Thank you, Caleb, for helping keep us safe!

If you'd like to show him your appreciation, feel free stop by the office with some cake pops. After enjoying them at the Fall Staff Day, Caleb is searching for an unlimited supply!
