LETTER FROM THE PRESIDENT

Sometimes it seems like each day brings a new report of a crisis happening around the globe ... but Kingdom Partners is always there to provide help and hope where it's needed most. I'm so grateful for the continued opportunity to work together with you to transform lives worldwide.

In 2024, you helped 259,696 people in need from countries like Nepal, Peru, and Uganda. You provided food and clean water to impoverished communities, distributed Bibles to persecuted Christians, helped women experience freedom from the sex industry, and so much more!

You also went above and beyond by hosting fundraising events like the Charity Classic Golf Tournament and the Turkey Wobble, inspiring other world changers like yourselves to get involved and make a global difference.

Thank you for giving help and hope to men, women, and children living in poverty this past year. Because of people like you, they experienced Christ's love in a powerful and practical way.

I hope this report gives you a small glimpse of the major impact you made in 2024.

Help and Hope,

Noel Brewer Yeatts
President, World Help

DISASTER RELIEF

You responded to the most urgent crises around the globe. From devastating hurricanes in our own backyard to the war in the Holy Land, you were there to provide help and hope to people when they needed it most.

When Hurricanes Helene and Milton displaced thousands of people across North Carolina, Florida, and the southeastern U.S., you jumped into action to make sure they had what they needed to survive. You provided emergency essentials like food, clean water, hygiene items, and more. You gave them hope when many were at the lowest point in their entire lives.

You also continued to aid people around the world who have lost their homes, livelihoods, and even their loved ones to wars and other ongoing crises.

It's been over a year since the attack on Israel by Hamas terrorists. Since war broke out in the Holy Land, millions of people have lost their homes – particularly in Gaza. Hospitals, businesses, schools, and churches have been destroyed. What few stores remain open often don't have necessities like food, water, and medicine.

The main crossing points at the border of the Gaza Strip frequently close, making it nearly impossible to bring in these essentials. Thankfully, God opened a door for our Gazan church partner to safely obtain and distribute emergency supplies.

Through your giving, thousands of civilians are fed hot meals each week, and hundreds more have taken shelter in a church where they can find comfort in God's Word.

Thank you for giving so generously in the face of disaster. You have truly been a lifeline for people in the Holy Land and beyond throughout this last year.

Kingdom Partners is always quick to respond in times of crisis, helping to save lives around the world.

UKRAINE

Since Russia began its full-scale invasion of Ukraine in 2022, Kingdom Partners has continued to meet the urgent needs of men, women, and children displaced by this war.

After almost three years of war, your gifts are still a lifeline for Ukrainian families struggling to survive ... and you've made an eternal impact on people like Sergei.

Sergei and his family fled Ukraine when the fighting moved closer to their hometown. They took refuge in Moldova – the poorest country in Eastern Europe. Shortly after they arrived, Sergei's wife gave birth to their fourth child.

Each day, Sergei wakes up and travels to nearby cities to find work. Unfortunately, with few jobs available, he often returns home empty-handed. Without a steady income, it's difficult for Sergei to provide his family with even the most basic necessities. What little money he has mostly goes towards food, leaving them with almost nothing for other essentials like clothing.

But thanks to people like you, Sergei received new clothes for his entire family distributed by his local church!

"I appreciate your help and what I received today at the church and assistance center. Your care for Ukrainian refugees like us is so crucial. Thank you for what you are doing for all of us!" – Sergei

Thank you for your continued support of refugees and displaced Ukrainians.

GLOBAL REFUGEE RELIEF

In addition to helping people displaced by war in Ukraine and the Holy Land, Kingdom Partners also stood with refugees and displaced people from countries like Afghanistan, Syria, and Iraq.

Afghanistan

Since the Taliban's takeover in 2021, you continue to provide help and hope to displaced Afghans in critical need. Skyrocketing prices and shortages have made affording essentials nearly impossible. But you were there to provide supplies like food, firewood, clothing, and more to meet their most urgent needs!

Syria

After more than a decade of war in Syria, countless refugees continued to suffer from extreme poverty. Many children are growing up as refugees, and families are still struggling to survive. But you met their most urgent needs by providing them with lifesaving essentials like food, clean water, medical care, and more.

Iraq

Thanks to the success of last year's pickleball tournament, Kingdom Partners was able to continue supporting a mobile medical clinic in Iraq, providing medical care for refugees and displaced people so they could receive treatment for injuries, illnesses, and disabilities. The clinic can also provide patients with preventative care and routine checkups.

Thank you for being the hands and feet of Jesus to refugees and displaced people worldwide.

PROVIDING BIBLES WORLDWIDE

Thank you for advancing God's Kingdom by providing Bibles around the globe. Because of your generosity, people living in poverty or in countries closed to the Gospel now have the comfort and hope of God's Word.

This year, you gave the life-changing gift of Bibles to Christ-followers and seekers worldwide. Thanks to you, God's Word reached some of the most spiritually dark places in the world — including North Korea.

North Korea is one of the most isolated countries in the world. The government tries its best to keep the Gospel out, but even the strongest borders can't stop God from working. Owning a Bible could mean imprisonment or even death for North Koreans, but they still asked for more copies of God's Word. And your giving met that need!

Our North Korea partner shared this after receiving Bibles to distribute to Christians in the underground church:

"Bible deliveries are proceeding briskly. We praise God who rules over heaven and earth and who is opening the door to Bible delivery. May the Bibles delivered prosper wherever they reach, and [may people] be filled with the Lord's truth."

Once again, thank you for placing Bibles in the hands of people in North Korea and all around the world. You truly made an impact that will last for eternity.

SHIPPING LIFESAVING SUPPLIES

You transformed lives by shipping essentials like food, clothing, hygiene items, medical supplies, and more to people in need worldwide.

When people living in poverty or the aftermath of a disaster needed lifesaving supplies, you were there to help. This year, you shipped \$2,592,320 worth of lifesaving supplies around the globe. That's enough to impact 98,127 men, women, and children in need!

Your generosity made a huge difference for people like Melida:

Melida is a single mom raising her two children in Peru. She can't work a full-time job because she cares for her son who is undergoing chemotherapy. Despite her best efforts, it's a daily struggle to afford food for her family.

But thanks to your faithful support, Melida and her children received a supply of nutritious rice that had been shipped to Peru. Now, she doesn't have to worry about how she'll feed her family and can focus on helping her son heal.

"Thank you so much for the prayers and the rice," Melida said. "I have to do whatever I can to help my children's health, particularly my son."

Thank you for helping people in critical need by shipping lifesaving supplies!

FIGHTING FOR FREEDOM

In the past year, Kingdom Partners continued to pave the way for women and girls to experience freedom from the sex industry. Thank you for protecting them from a lifetime of abuse and exploitation and introducing them to the love of Christ.

Your continued support in the fight for freedom has given women trapped in cultural slavery a way of escape through resources like safe housing, education, vocational training, and spiritual counseling. Additionally, you've advocated for children living in poverty who were on a path to entering the sex industry if they didn't receive help. Because of you, they now know that they have another option. They now have a chance to dream!

You gave women and children like Arati hope for a better future.

Arati grew up in the Banchara community of India where she was in danger of being pushed into the sex trade. Although she had the opportunity to complete her education, she returned to the Banchara community when she was 18 ... and to the cultural expectations that had forced so many before her into sexual slavery.*

But you gave Arati another option. Thanks to your generosity, she now lives at one of our partner's children's homes and is safe from the sex trade. She's also pursuing a college degree in education and dreams of becoming a teacher one day!

Thank you for supporting these women and girls and for showing them that they are valued and loved for so much more than just their bodies.

**Name changed for privacy.*

Thank you for your gifts to help women like Arati experience freedom from the sex industry.

CLEAN WATER

Clean water is essential for life. In 2024, Kingdom Partners helped supply this lifesaving resource to communities who needed it most.

Thanks to your generosity, people like Dinesh no longer have to worry about where they will get water.

Dinesh pastors a growing church in Nepal. Even though the church is in a populated area, he struggled to get clean water. The only water they had access to was contaminated and dangerous to drink. As a result, Dinesh often had to buy clean water for the church himself, which was expensive.

But thanks to Kingdom Partners members, Dinesh and his church received a new water well! Now, the entire church and surrounding community has a reliable source of clean water. They no longer have to spend what little money they have on water or worry about contracting deadly waterborne diseases.

For Pastor Dinesh, having a well at the church also means more people will attend the church and hear about Jesus Christ – the Living Water!

In 2024, you helped provide 7 water projects impacting 5,393 people in 5 countries: India, Nepal, Sri Lanka, El Salvador, Thailand!

HELPING PERSECUTED CHRISTIANS

This year saw persecution worsen around the world – but that didn't stop the Gospel from spreading. With your help, church planters in countries like India and China have continued to start new churches and lead people to the Lord!

In 2024, the church planters you helped support saw 308 baptisms and planted 59 new churches! You also provided life-changing support for Christians facing persecution.

Your gifts helped support persecuted Christians like Arjun, a church planter from India. Arjun, whose name was changed for safety, was sheltering displaced Christians in his home because of ongoing persecution in India. But then, his home was destroyed by Hindu nationalists.

Arjun had nowhere to turn. He didn't know where he would live, and even worse—he didn't know what would happen to the people he was sheltering and ministering to. Thankfully, you were there to help Arjun rebuild his life. Your support ensured that both Arjun and the people he served had a safe place to live while they got back on their feet. It was an incredible testament to God's love and provision during a dark, desperate time.

Thank you for bringing the Good News to men, women, and children around the world by helping persecuted Christians and supporting church planters!

NEPAL

The children and staff at Grace Children's Home are incredibly grateful that Kingdom Partners has provided help and hope to meet their greatest needs for more than 20 years.

Your support of Grace Children's Home in Nepal for over two decades has been instrumental in transforming the lives of countless children living in poverty. You have given them a safe home and the resources they need to pursue their dreams.

Since Kingdom Partners first got involved with Grace Children's Home in 2002, hundreds of children have been impacted through your provision of nutritious food, educational opportunities, and so much more. You ensured they had a safe place to live up in the mountains, and when the children's home was destroyed by an earthquake in 2015, you stepped up to rebuild it. Because you chose to provide these children with life-changing essentials, they can look forward to a brighter future.

It also means so much that you're praying for them and cheering them on! You have given these boys and girls help for today and hope for tomorrow.

“*These children are provided proper care with food, lodging, clothing, education, and healthcare through your support. Your prayers and support have a grand impact to the children of Nepal. Thank you very much. May God bless you all.*” — Grace Home Partner

Thank you for your faithful and generous support of Grace Children's Home. Your influence continues to impact the lives of hundreds of children in Nepal every year.

INDIA

Your continued support of Gilgal Children's Home helps boys and girls in India break the cycle of poverty!

Poverty, especially in rural areas, has been a problem in India for decades. Children living in remote communities often struggle without access to basic necessities like nutritious food, clean water, and medical care. Their parents can't afford to pay for schooling, either. And without an education, children are unable to break the generational cycle of poverty.

But thanks to your faithful and generous support of boys and girls at Gilgal Children's Home, they have the tools they need to build a better future. This year, you provided them with essentials like nutritious meals, clean water, and educational opportunities.

“*You have been their support since their first day in Gilgal. Your love and support have always been a source of strength and reminder of God's unfailing love.*” – Gilgal Children's Home staff member

In addition, your support has been especially important in ensuring these children have a safe place to stay amid the ongoing unrest in Manipur. You're providing them with the care and compassion they need during these uncertain times.

Thank you for showing the love of God to boys and girls at Gilgal Children's Home!

UGANDA

In 2024, Kingdom Partners continued to invest in Ugandan children. Thank you for demonstrating the love of Christ to boys and girls living in poverty.

Over the years, Kingdom Partners has provided help and hope to countless children in Uganda – and 2024 was no different! **You helped complete major renovations at the Good Samaritan Children's Home and their primary school campus in Kikooba.**

Because of you, even more children from impoverished families can now attend school. Receiving an education in a high-quality facility will transform their lives and impact their entire community. By investing in the next generation of doctors, teachers, entrepreneurs, and other professionals, you're helping to raise families out of poverty.

You're giving boys and girls in Uganda the opportunity to dream big about their futures. Instead of working at a young age to support their families, they have the chance to chase their dreams.

At school, they receive essentials like food, water, and medical care. With their basic needs met, they can focus on learning in their classes. They also learn about the Gospel, and because of your support, they will grow up experiencing the love of Christ in a practical, tangible way.

Thank you for continuing to make an eternal impact in the lives of children in Uganda!

CHILD SPONSORSHIP

Kingdom Partners sponsors a total of 149 children in countries like India, Rwanda, and the Philippines!

Through sponsorship, Kingdom Partners members are providing essentials like nutritious food, clean water, medical care, and educational opportunities to children in need. Your support also serves as a powerful example of God's love. Thank you for making such an incredible impact on children around the globe.

Check out how sponsorship has transformed the lives of children like Prathna:

Prathna is the youngest of nine children in her family. In her rural community in India, women are expected to be the providers for their families. But without an education, their only choice is often working in the sex industry – which is exactly what happened to Prathna's mother.

Without help, Prathna was in danger of one day being forced to follow in her mother's footsteps.

But thankfully, sponsorship provided Prathna with the opportunity to go to school! Today, Prathna is a happy, healthy 10-year-old. She loves to paint in her free time, and her favorite subject in school is her Hindi language class. Because of her sponsor's support, Prathna can choose a different path when she grows up – and she already has big dreams of becoming a police officer.

Thank you for investing in the next generation of world changers through sponsorship.

Prathna

KINGDOM PARTNERS GOLF TOURNAMENT

This year, we celebrated 20 years of the Kingdom Partners Golf Tournament, which has transformed the lives of countless men, women, and children around the world.

Since 2004, the annual Kingdom Partners Golf Tournament has raised over \$6 million to provide help and hope to people in over 70 countries worldwide!

Even though we didn't have an event this year, you gave anyway, sending in funds that you otherwise would have given towards sponsorships or donations at the event. We are grateful for all that your gifts at the Kingdom Partners Golf Tournament have done over the past two decades:

- You've helped lift children out of poverty through **sponsorship**
- You've **built and improved** several children's homes and schools worldwide
- You've provided **clean water** to impoverished communities
- You've given people access to **medical care** in Guatemala and Iraq
- You've shipped **dozens of containers of aid**, impacting hundreds of thousands of lives

You have made an eternal impact all over the world. Thank you for your incredible dedication and generosity!

FUNDRAISING

This year, Kingdom Partners organized and hosted several incredible fundraising events! As a result, thousands of men, women, and children worldwide received help and hope when they needed it most.

At the 2023 Charity Golf Classic Tournament, you helped meet some of the most urgent needs around the globe. You provided emergency supplies to refugees and displaced people. You provided nutritious food to malnourished children. You distributed Bibles to Christ-followers and seekers around the world, and so much more. During the 2023 Turkey Wobble, you also provided clean water to developing countries like Haiti, Uganda, and El Salvador.

You raised more than \$234,850 through Kingdom Partners fundraisers:

2023 Charity Classic Golf Tournament*

\$180,000

2023 Turkey Wobble*

\$54,850

*The report goes to print each year before the Charity Classic and Turkey Wobble fundraising results are final. The 2024 results will be published in the 2025 report.

IMPACT

Because of Kingdom Partners, thousands of lives are transformed each year. Thank you for demonstrating God's love to people around the world. You have made a tremendous impact that will outlive you and last for eternity.

Since 1999, you have contributed \$22,131,923 to help transform over 4.8 million lives in 70 countries around the globe. In 2024, you continued to provide help and hope worldwide by giving \$2,349,369 to help 259,696 people! We can't wait to see what you do next.
