Staff Christmas Party – Dec. 13

We hope everyone had a blast celebrating Christmas Around the World at our annual staff Christmas party! We had so much fun playing Christmas Kahoot, decorating Christmas cookies, and celebrating Jesus Christ, the Reason for the Season. We're thankful for the memories we made together and excited to see what the new year brings!

Get to Know Moana Brady

Moana is the newest Donor Support Representative on our Marketing Retention team! She grew up in Kazakhstan, where her parents dedicate their lives to serving rural farmers and their families. In her free time, Moana loves weightlifting, making art, and spending time with her family and friends. You can also find her searching for hidden gems at her nearest thrift store!

When asked what the best superpower is, Moana chose time manipulation! "So you can stop time and have a nap whenever you want!" she said. We definitely agree, Moana!
